Hartrampf's Vocabularies

July 27, 1933

My dear Mr. Revenaugh:

It is only within the last month that I have been able to use the copy of Hartrampf's Vocabularies which I bought from you some months ago. I recall that I did promise when I made the purchase to tell you whether or no I found it useful in my work. Having made a month's test of the book I am glad to say that I think it a real addition to the word books that I have been using. It supplements the dictionary and is helpful in a search for a synonym. I heartily recommend the book.

Very truly yours
