Miss Ida M. Tarbell,

New York, N. Y.

Dear Miss Tarbell:

I thank you for your letter of August 23, and we certainly want to arrange the dating according to your wishes. I rather think that Mr. White has only one date for you, November 17 at Holyoke, Mass.

I was wondering this morning if it would not be a good plan to change our time into the week of November 20th. The week of the 27th comes during the Thanksgiving holidays and we are having considerable difficulty in getting these dates definitely accepted. Two of them have already O. K.ed their dates and I may have some trouble in changing, but I wish you would wire us at our expense immediately upon receipt of this letter, if it will be alright with you for us to place our five dates in the week of November 20, then leave the week of November 27th open for you and then you go to the Alkahest Lyceum System for the week of December 4. Albion, Mich. has already definitely accepted October 25, and Indianapolis, Ind, is definite for October 27.

I shall hope to receive your wire promptly if you wish us to move the dates into the week of November 20th.

Sincerely yours,
THE COIT LYCEUM BUREAU.
