Miss Ida M. Tarbell,
132 East Nineteenth Street,
New York, N. Y.

Dear Miss Tarbell:

I thank you for your letter received sometime ago and I find that Mr. Stephenson is to start with you on January 31 and close on February 12. Mr. Wickes of the Boston Office feels that it is impossible for him to change his dates of February 17 and 18. I will need to either place a couple of my dates enroute to Mr. Stephenson's territory or else during the week of February 21.

Now I wish you would let me know whether you prefer to have me break into the week of February 21 or whether I should use some days in the early part of the week of January 24 and still leave enough time open to reach Mr. Stephenson's date at Devil's Lake, N. D., January 31. I will do whichever seems best to you and I shall be glad to have you let me know which one of these weeks you would prefer to have me use. I think probably we could save a little mileage by using maybe January 24 and 25 as you go out to Mr. Stephenson's territory and then put in my other two dates February 14 and 15.

I will appreciate hearing from you for my committees are getting anxious to have the definite dates arranged.

Sincerely yours,

R. E. Barnette
