My dear Mr. Munroe:

Thank you for your kind note inviting me to be present at the coming Phi Beta Kappa meetings. It would give me great pleasure to be there and to be received into the chapter at that time, but I have been having a very busy spring, and as I am off for Europe in about three weeks I shall not have time to go West, much as I should like to do it. I hope you will have the best of times at Commencement, and that the <sup>Phi Beta Kappa</sup> meetings will be especially pleasant.

Very sincerely yours,

Ida M. Tarbell
