Honesty in Political Press

October 24, 1924

Mr. H. L. Hoard,
Editor "Jefferson County Union,"
Fort Atkinson, Wis.

My dear Mr. Hoard:

Thank you for the clipping from the "Jefferson County Union". Of course I am flattered by your opinion of me, but you should read my reply to the LaFollette ladies again.

I stated quite decisively there, I think, that I was not voting for Mr. Coolidge, as you say, but for Mr. Davis. And one of the chief reasons that I gave for not supporting Mr. La Follette was that he had been able to stay so long in a party - the Republican - which had made so serious a special privilege out of the protective tariff.

Come, come, now, don't you think you ought to correct your statement? I do.

Sincerely yours,
