PRESIDENT'S OFFICE

November 27/1911

Dear Miss Tarbell,

Somebody told me the other day that you were doing a series of papers on the present state of unrest among women, and as I have thought for sometime that there would be a good opportunity for wide circulation for a little book on this subject, I hope that you will very kindly see your way to telling me about these papers and let me arrange with you, if possible, for their publication in book form. I should be very glad indeed to hear from you in regard to the matter at your convenience.

Yours very truly,

George P. Brett

Miss Ida M. Tarbell.
