Miss Ida M. Tarbell,
120 East 19th St.,
New York City, N.Y.

Dear Miss Tarbell:-

Please excuse my delay in acknowledging your letter of February 20, with its enclosure. I am sending back to you herewith the latter from Mr. Kelly. Mr. Latham, to whom I have spoken about the matter, sees no objection whatever to granting the request, and thinks that the suggestion you make regarding the reference to the book is an excellent one.

In your manuscript you mentioned in two or three places an unpublished history of the General Electric. This naturally interests any publisher, and I have been wondering if the General Electric ever intend to get the manuscript published. Perhaps you can satisfy my curiosity? For if publication is to take place, I know this house would like to look into the matter.

Yours sincerely,

L. H. Titterton,
Associate Editor,
THE MACMILLAN COMPANY.
