

Dear Miss Tarbell-

I have just sold Miss Barr a birthday card for you - and I'm sending my good wishes too. You know I have a little shop across the street. I went over to call on you, but was a day late - sorry I missed seeing you.

Titusville is always glad to have you with us - and hope you can stay longer next time.

Please give my very best wishes to Miss Sarah and Mrs. Will Tarbell.

On your birthday
there is something
That I want to speak
about
The world's lots nicer
with you
Than it would have been
without
