Dear Miss Tarbell; Am taking the privilege of sending you this note of appreciation for your kindly mention of the writer in "Arizona Trails" in the March 1932 issue of the Delineator.

It helps to know that persons of National Reputation such as yourself take notice of our earnest efforts in the trying to do our duty and be of service to the people!

Please accept my hearty thanks for the mention made and the kindly interpretation of my efforts in behalf of the people of Arizona in our State Legislature!

If I can ever be of any service to you please let me know! You might care for pictures etc. from our part of the world
