

January 15, 1929

Mrs. William F. Eastman  
96 Columbia Heights  
Brooklyn, N. Y.

My dear Mrs. Eastman:

Will you not send me the date when I was to take tea with the Committee of Seven Colleges? I was shaky in my mind as well as my body when we talked over the telephone, and I did not put it down.

With all good wishes and with the hope of being back in harness soon,

Faithfully yours
