Dear Miss Tarbell:

This will recall the telephone conversation of yesterday in regard to the Steel Engraving of Abraham Lincoln which I have for sale.

left The picture is about 16 x 34 inches,full length pose,to his/~~right~~ is a table with three papers overhanging on which are printed "Constitution,"~~"[illegible]~~ "Union", and "Proclaimation of ~~Fr~~ Freedom". To his right and on the floor is a Geographical Globe.

This is a very fine original steel engraving and is considered one of the best ever made of Lincoln. It is in first class condition and I will sell it for One Hundred Dollars ($100.00).

Trusting that some of your friends may be interested in it with a view of purchase, I await your further pleasure.

Yours truly,

Louis Bond Cherry
