Miss Ida M. Tarbell,
c/o Chamber of Commerce,
Gainesville, Florida.

Dear Miss Tarbell:--

We received word from our Vice-President, Mr. Alfred A. Tano of Wauchula that you visited Wauchula and Hardee County, and we note from the article in the Florida Advocate, of April 16th, that you have written a letter to Mr. Jones asking for price on properties in Hardee County, and with that in mind we are enclosing herewith a booklet issued by us for the sale of Hardee County land.

We wish to call your attention to the copyrighted plan, under which we sell. This plan has been approved of by Officials of Banks, Railroads and the Government, as being the best plan known, and one that protects the buyer 100%. We sell our property(which is selected property)in Hardee County at the rate of 5 acres for $1,000., payable over a period of eight years, and you will note that at the end of that period the purchaser receives back $500.00 in cash, and in the meantime is covered by life, health and accident insurance.

We are sending a copy of this letter to you, c/o McCall's Magazine, in the event that the one addressed to Gainesville does not reach you.

Any service we can render you, we will gladly give. When you return to New York, we will be pleased to show you a moving picture film of Hardee County taken by the Official Photographer of the Seaboard Air Line Railway in conjunction with our company.

With best wishes, we are

Faithfully yours,

INSURED LAND CORPORATION OF AMERICA
