Dear Miss Rocaly: The package of programs I was so thoughtfully sent from yesterday and I am attending at 11 A.M.

Know to encourage when I go to the hospital.

I was delighted to hear you sending me some money. Dear in law has been here—she is so nice and sweet—lunches up yet—dinner was unplanned absence. She is wearing black Jack—staring up yet—dinner is complete so today that was the one day skiing 20 minutes at a time.

Cordially,

Russell Cohen.
