COUNCIL OF NATIONAL DEFENSE

WASHINGTON

June 28, 1917.

Miss Ida M Tarbell,
324 East Main St.,
Titusville, Pa.

Dear Miss Tarbell:-

The enclosed letter will explain why the photographs from Collier's were not delivered here. I went immediately to your apartment and got the package and expressed it to you, so you should get it within a day or two.

I am enclosing the final proof of your Cantonment article from Collier's. The Plan of Work has been revised again and I enclose a copy as revised.

This is all of importance I think.

Sincerely yours,

Mary Glenn Newell

P. S. Since writing the above your letter with the Delivery article has come in and I have copied it and sent a copy to Mr. Shaw and enclose one to you. I didn't have time to clean yours up but it is readable. I telephoned Mr. Shaw's office and told him I was sending it.

I am so glad that your mother is better and that you will soon be with us again. We miss you. Mrs. Lamar said to give you her love and tell you that she would be so glad to see you again and hoped you would get back before she leaves.

M.G.N.
