Dear Miss Rowley,

Do forgive my neglect
of your letters. I came up here in
July badly battered, have been
seeking a secretary or type-
writer and a stiff hand.

I am delighted with all
that is happening to the Lincoln
Collection. It will grow. I have
several items on the way

next week I hope to have
a secretary, will write Dr. Tolley
and will thank. Please pass
on my regrets to Dr. Tolley for
my delay in writing back.

Faithfully yours
Ida M. Parkes
