Mr.L.J. Alber,
Coit Lyceum Bureau,
Cleveland, Ohio,

Dear Mr. Alber:

In writing you on Jan.26th, saying that you could make a certain number of engagements for me next Winter,I added that I could fill from six to twelve engagements this summer. On re-consideration I want to withdraw that. I am a little afraid that it would not be a good thing for me to try even that limited amount of work in warm weather; then, too, I have so much committee work and writing on hand that I ought to give the time, so please do not book me for anything before the first of November.

Very sincerely,
