Dear Mr. Reynolds:

We greatly appreciate the lithograph of Abraham Lincoln done in 1905 by J. H. Bufford and the engraving by A. H. Ritchie of Lincoln and his cabinet. These are substantial additions to our Lincoln Collection and we are very glad to have them.

Our Lincoln Collection is still small, but a number of gifts have been received during the summer and each new contribution seems to stimulate others.

With kind regards,

Sincerely yours,

William J. Tolley
