The American Tree Association,
1214 16 St., N.W.,
Washington, D.C.

My dear Mr. Edwards:

Thank you for your letter of November 13.

The tree in which I am interested has already been nominated for your Hall of Fame by the Rev. L. A. Warren, now of Morganfield, Ky. I hope you will accept it on his nomination.

It is a beautiful oak, fully 150 years old, standing near the birthplace of Abraham Lincoln. He and his sister undoubtedly played under it. I am asking Mr. Warren to send you a picture.

Very truly yours,
