Mr. Richard J. Walsh,
Collier's,
New York.

Dear Mr. Walsh:

Your note of the 31st has just found me
I

I have no copy of the editorial on Prohibition, to which you refer, and I would have no time to turn it into an article while on this trip. I would like to try my hand at it, however, when I get back, if that is not too late for your purposes. One picks up not a few side lights on the subject as he travels, so if you want me to try it again when I get back, somewhere about the 25th of the month, I would be glad to do it.

Very sincerely yours,
