Mr. S. R. Bridges,
Rhe Alahest Lyceum,
Atlanta, Ga.

Dear Mr. Bridges:

I have your letter of January 30th, received this morning. I shall go to Chattanooga, tomorrow the 5th, and shall get at once into communication with Mr. Hill. I am writing him from here.

I will go from Chattanooga from Rock Hill on the 7th.

In regard to going to Greensboro for Prof. Jackson's summer school - if you can make the engggement for two lectures for $300.00 toll him I will be willing to put in at least two short talks if he desires it. We might arrange to put the lectures, one or two days apart, if he wishes, and I could help out in conferences and informal meetings between. I will leave it with you to arrange.

You say he would like me the week of June 24th. I am not certain but I have an engagement that week at my own College commencement. I will let you know as soon as I can find out, so tell Prof. Jackson not to fix the date until I have information on that point. Of course, if Dr. Johnson at Winthrop College can take me in connection with this engagement at Greensboro, it will help out. These will be all the engagements that I can make for the summer, that is, I can not attempt to o any more summer work unless there be some particular obligation in connection with the War program.

I will make the collections as you suggest and send my account when I get back to New York.

Very sincerely yours,
