Dear Miss Tarbell:

I have read & read with great interest your book "The Lincoln Billy Brown Stories."
I already had in my library "He Knew Lincoln." But had never seen the other Stories. I think your Introduction to this book is fine; & your Lincoln Chain a masterpiece. If one had never read a history of Lincoln these 52 pages that one could read in one evening would give a perfect estimate of his wonderful character from childhood to the time of his death. Again thanking you
