My dear Miss Tarbell:

What a lovely thing to do - that Bell biography! I fancy Scribners & Harpers or Century would want it. There's a story & a man. I'll be back Tuesday Aon. If you are not to be there, please say what you want me to do. I favor Scribner somewhere. Don't see how Brett can come into this! The serial buyer is likely to insist upon the book - But I hope you may be in the city & we can talk of this matter.

As ever
