Dear Miss Russell:

Thank you heartily for being so prompt in sending me the St. Lawrence material. It is all capital - particularly useful is this outline of yours. You are quite right in thinking that I have missed an item or two. As a matter of fact there are several here that I have not realized.

When I come back I shall go down and have a talk with you about St. Lawrence. I may pick up some things that will add to your grist.

Thanking you again for your prompt and hearty co-operation, believe me

Very sincerely yours

Miss Helen Russell
