Miss Ida Tarbell

Bethel, Conn

Dear Miss Tarbell:

Thank you so much for being such a dear about going on every kind of a Committee.

We will watch out for your article on the 15th. I had the other material, the statement which you sent in to us in handwriting, typed and we have been using it continuously. I also sent a typed copy to Governor Smith for his personal file.

We are having a little trouble organizing our Authors, Artists & Actors, as so many are out of town. We merely used your name on the telegram as a member of the Committee, with Gertrude Atherton, Alice Duer Miller, Lillian Wald, Ellery Sedgwick, John Erskine, Irvin Cobb and Owen Johnson.

Everybody here is most appreciative of the time and energy you are giving to us and we all daily pay tribute to your energy, your enthusiasm and your marvelous vitality which makes it possible for you to do more than eight or ten younger women can do.

Sincerely yours

John Hamilton Clarke
