Louis A. Warren, Director
Lincoln National Life Foundation,
Fort Wayne, Indiana.

Dear Mr. Warren:

I am very sorry to be so late in answering your letters, but with the speeded up program of the College, we are especially busy. Then Miss Rowley is retiring September 1st, and of course we are all helping her clear up her records.

Thus I feel that it would be better to postpone doing anything about the Lincoln photograph until fall, when we will be very glad to have it photoduced for you. I hope this will be satisfactory to you.

I, too, enjoyed your visit to our Library and I hope we may have the privilege of another visit from you in the near future.
