"THE GOOSE HANGS HIGH" TO BE PRESENTED AGAIN

POPULAR STUDENT PRODUCTION WILL BE GIVEN AS PART OF COMMENCEMENT PROGRAM

At the request of the College faculty the combined Duzer Du and Klee-O-Kleet dramatic clubs will again present the three act comedy, "The Goose Hangs High," on Friday evening, June 11, at eight o'clock, as a part of the Commencement Week program. The production will be staged in the local High School Auditorium. Admission for all alumni and ex-students will be free.

"The Goose Hangs High" was presented on April 29, and was at that time well received by a large audience. The members of the cast filled their parts in excellent fashion, and the play as a whole was well performed. For the convenience of those who are not acquainted with the play, a brief review is again published. The theme of "The Goose Hangs High" concerns our younger generation, so that their children may receive a college education. When the young people come home for the Christmas holidays, they seem to be dissatisfied with their home-life and they go out to seek pleasures with others of their own age. However, when the father meets a business crisis, the children have a chance to show that their seeming indifference is only a veneer, and that within their hearts they are willing to sacrifice for their parents.

Alumni may secure their tickets by writing to Miss Edith Rowley, the alumni secretary, before June 10. A large section of the auditorium will be reserved for those holding tickets.

LITERARY PUBLICATION TO APPEAR NEXT FRIDAY

The final issue of the Allegheny Literary Magazine has gone to press, and it is expected that it will be distributed to the students at Friday's chapel, May 28. In case the publishers are not able to complete it by that time, it will be distributed through the various fraternity houses and the dormitories. All the old features have been retained with a number of exceptional stories in each department. One of the features of this issue is an essay by Prof. Harry M. Reynolds. A number of other short stories, dissertations, and poems will add much to the interest of this edition.

J. R. Mills, '92, of Cleveland, O., attended the Bach Festival at Bethlehem, Pa., on May 14 and 15.

Allegheny Court Team Loses Second Match To Pitt Team, 6-0

Saturday afternoon, May 22, the the Blue and Gold tennis team lost the second of their matches with the Pitt net men by a shut out score, 6-0. Although several of the singles matches were closely contested, the crack Pitt team proved too much for McClurg's men who were able to take only one set during the entire match.

Baur of Pitt easily disposed of Merrill, Allegheny's ranking player, in straight sets 6-1, 6-1, but Burns and Lawler experienced difficulty in winning over Evans and Miller, the former going to 7-5, 6-4, and the latter to 8-6, 6-3 before winning. Flint was the only Allegheny man who was able to win a set, forcing Gordon of Pitt to 6-2, 3-6 and 6-1 before admitting defeat.

In the doubles matches the Panther racquetters found easy sailing and won by decisive scores. Lawler and Gordon (Pitt) won over Fint and Behrhorst (Allegheny) by 6-3 and 6-2. Baur and Burns, paired in the other doubles match, defeated Merrill and Evans of Allegheny, 6-2 and 6-3.

Although the defeat was a decisive one it should be remembered that the Panther aggregation boasts of being one of the strongest teams in the East and has chalked up wins over the Army and Syracuse net men as well as all the teams in this district.

Two other matches were carded for the week, one with Geneva and the other with Grove City, but due to the rainy weather it was necessary to postpone both engagements.

ALLEGHE TRACKMEN WIN FROM ROCHESTER, 71-55

EACH TEAM WINS SEVEN FIRST PLACES—ALLEGHENY HAS BIG MARGIN IN SECONDS

On Saturday afternoon, May 22, the Blue and Gold track squad journeyed to New York State and wound up their schedule for the year by annexing a 71-55 victory from the University of Rochester representatives. Each team gained seven first places, Allegheny's superiority being in seconds of which Hammett's men totaled ten against Rochester's four. A good start was made when Allegheny's men took eight points each in the century dash and the shot put, thereby obtaining a lead which stood them in good stead throughout the meet.

Captain Ken Williams was high point man of the meet, taking first in the 100 and 220 and second in the 440, for a total of 14 points. His time in the 220 was 22.4, which comes within a fifth of a second of the college record for that event made by Mitchell in 1895. The 440 race between Captain Suttle of Rochester and Captain Williams was one of the features of the day with the University star winning out in the fast time of 52.2. Shafer of the Blue and Gold squad was close on the heels of these two men and won an easy third.

Tornatore turned in a pretty bit of work in winning the pole vault. His winning mark was 10 feet 9¾ inches, the best mark made on the Rochester field in recent years.

In the mile run Jones took an easy first, but he was handicapped by illness in the two mile grind and finished third, Page of Rochester and Bentley of Allegheny beating him to the tape. Marshall of the Blue and Gold squad won the half mile but was slowed up considerably by being forced to run against a strong wind.

INTER-FRATERNITY MEET TO BE HELD SATURDAY

On Saturday afternoon, May 29 at 2 o'clock, the annual Inter-Fraternity Track and Field Meet will be staged on Montgomery Field. Fifteen events, including the hammer throw and relay race, are scheduled for the day's contest. Points will be awarded on the 5-3-2-1 basis.

Rules governing the meet have been drawn up by the Student Senate and contain the following regulations:

1. Any man in school is eligible.
2. Any man may enter the relay race and in addition may be entered in three running or three field events, or he may enter the relay and also take part in two running and two field events.
3. Each fraternity may enter four men.

Last year's meet, it will be remembered, was won by the Non-Fraternity team after every point had been closely contested. This year's contest promises to be just as close and interesting.

SEVERAL CHANGES ANNOUNCED IN FINAL EXAMINATION SCHEDULE

Most Exams To Be Held In Gym--Begin At 8:30 A. M. and 2:00 P. M.

Several changes have been made in the time and place of examinations, and to avoid error, these should be noted carefully. All subjects not scheduled will be given at a time to be arranged by the instructor. There are still a few conflicts which should be reported to the office at once, so that the arrangements may be made with the supervisor of examinations. The official copy will be posted May 27.

The following students will report to Carnegie Hall for examinations: Bible I, those whose names begin with A to C inclusive; English Language I, those whose names begin with A to C inclusive. All examinations begin at 8:30 in the mornings and 2:00 in the afternoons.

The faculty have issued the following regulations: No two adjacent students taking examinations shall be in the same course; no student shall be permitted to enter an examination more than ten minutes late except by authorization of the supervisor; no student may bring papers or books into the examination, and no student leaving the room may return unless he has been accompanied by a proctor.

Athletic Association Benefit Movie to Be Shown Here Next Week

A side of the war that has been clouded in mystery is brought to the screen for the first time in "The Greater Glory," the colossal screen epic which will be shown at the Park Theatre on May 31, June 1, and 2, as a benefit movie for the Allegheny Athletic Association.

That the story of "The Greater Glory," which reveals conditions in Vienna before, during, and after the war, is authentic, is revealed in the fact that the picture is an adaptation of the celebrated novel, "Viennese Medley," written by Edith O'Shaughnessy, wife of the American Minister at Vienna. The authoress resided in the once gay capital of the Austrian empire during its most hectic period, and the story follows the fortunes of the city and of a fine old Viennese family.

The producer, June Mathis, has made the picture along epic lines, and she calls it the most significant film she has ever made. More than a year was spent on its production by Miss Mathis and a vast company of stars.

The principals in the picture cast are Anna Q. Nilsson, Conway Tearle, May Allison, Ivan Keith, Lucy Beaumont, and Jean Hersholt. There are about a score of other famous picture players in the cast in addition to about 1,600 extras.

The Allegheny Athletic Association will receive one-half the proceeds from this picture if they can sell 5,000 tickets. Accordingly the tickets are being sold by the members of Block A Club. Each member, who has four assistants, has taken 100 tickets to sell during this week when a canvass of the whole city will be made.

MODERN PROBLEMS CLUB VISITS ERIE INDUSTRIAL PLANTS

On Tuesday, May 25, the members of the Modern Problems Club motored to Erie, Pa. While in the Lake City, the members were conducted through the plants of the General Electric Company and the Hammermill Bond Paper Company, two of the most important industries in this district.

Women's Fraternity Is Granted Charter By Alpha Xi Delta

Sigma Tau Sigma, local women's fraternity, will be installed as the Alpha Rho Chapter of Alpha Xi Delta next Friday and Saturday, May 28 and 29. The local society was founded December 15, 1920, with eighteen members.

Alpha Xi Delta was founded in 1893 at Lombard College, Galesburg, Illinois. At the present time it has a roll of forty active chapters. The badge of the fraternity is a golden quill on the feathers of which are the initial letters of Alpha Xi Delta in burnished gold. The flower is the pink rose and the colors are blue and gold. The pledge pin is black and oval in shape, bearing the Greek letters of the fraternity.

PROFESSOR REYNOLDS GIVES READING AT FRIDAY CHAPEL SERVICES

During the chapel hour on Friday, May 21, Professor Harry M. Reynolds, instructor in English Language and Literature, entertained the students and faculty with a reading taken from several of his own literary criticisms.

In opening, Professor Reynolds stated that the average faults in a story are analogous to the broken parts of a watch. The watch looks perfect from the outside, but in order to find the faults the jeweler magnifies the works with a glass. Thus, to bring out the weakness of authors, Professor Reynolds has greatly magnified their literary faults in his parodies..

The opening reading was taken from "The Triumph of the Nut", a parody on Sherwood Anderson's "Too Many Wives." Professor Reynolds followed this by reading an excerpt from "Some Freedom," a parody which showed the weaknesses of Hutchinson's "This Freedom".

In conclusion Professor Reynolds read a parody on "Roughneck," by Robert W. Service named, "Rougher Neck".

Mrs. O. C. Jones (Mary Sanson, '14) of Syracuse, N Y., will conduct a summer school at the Thousand Islands this summer.

Interesting Program Arranged for Chapel Tomorrow and Friday

Tomorrow's Chapel service will be given over to a musical program which will be given by Aubrey C. Hartman, concert singer of Erie, Pa. Mr. Hartman has broadcast several concerts in the past few weeks from radio stations in Western Pennsylvania and Ohio.

He will sing four groups of songs of three selections each as a part of tomorrow's program. Theodore Poister will accompany Mr. Hartman at the piano. Miss Eleanor Hulbard, pianist, also of Erie, will play several solos. Mr. Hartman's program will be as follows:

GROUP I

Morning ..... Speak
Just You ..... Burleigh
Three for Jack ..... Squire

GROUP II

Dawn in the Desert ..... Ross
Wayfarer's Night Song ..... Martin
Tally-ho ..... Leoni

GROUP III

Myself When Young ..... Lehmann
In a Persian Garden

GROUP IV

The Shepherdess ..... MacMurough
Invictus ..... Huhn
Fling Broad the Sail ..... Gaines

The Chapel hour on Thursday will start at 11:45.

On Friday the new Men's Senate will be in charge of the services. A student forum will be held, at which time the new Chapel system will be discussed with a view either to continue the present system or to modify it to meet the wishes of the students.

MUSICAL PROGRAM GIVEN BY STUDENTS IN CHAPEL

Last Wednesday at the regular Chapel hour, a musical program, in charge of C. B. Hartman, was presented to the student body. Being a student program entirely, it proved very interesting and brought generous applause.

The first number was a piano solo by John F. Yeany. He was followed by Francis J. Felton who sang "Pale Moon" and Lawrence Hope's "Kashmiri Song." Ross Carey was the accompanist.

David Behrhorst rendered several violin solos. The first selection played by Mr. Behrhorst was Goddard's "Adagio Pathetique." This was followed by two selections from the "Student Prince," by Rombey and Donnelly, "Deep in My Heart, Dear" and "Serenade." He was accompanied by Theodore Poister at the piano.

The final number was another 'Student Prince' selection, the "Students' Marching Song," which was sung by a double quartette composed of C. B. Hartman, Morris W. Curtis, Philip S. Corbin, F. J. Felton, Frank W. Wicks, Robert Faner, J. E. Meadowcroft, and John F. Hartman.

Before the presentation of the musical program A. Hughes Bartlett presented a silver loving cup to C. B. Hartman of the Sigma Alpha Epsilon fraternity, the trophy being the prize offered by Delta Sigma Rho to the winner of the Extemporaneous Speaking Contest which was held in the Chapel some time ago. This cup will be retained by Sigma Alpha Epsilon for one year until another contest is held. The fraternity which first wins the cup three times will retain it permanently.

TWO MEMBERS OF FACULTY TO LEAVE AT END OF YEAR

THREE FORMER PROFESSORS TO RETURN AFTER A YEAR'S LEAVE OF ABSENCE

Several of Allegheny's former members who have been granted a year's leave of absence for graduate work are to return and resume their duties at the opening of College next fall.

Professor Arthur S. Emig has been attending the University of Boston. He will resume his position as assistant professor in the Department of Philosophy and Education at the opening of the summer session. Giles M. Bollinger, after completing a year's work at Harvard University, will return to the Chemistry Department. Professor Dale E. Thomas comes back to Allegheny as an instructor in Biology and Geology after spending a year in advance work at Cornell University.

Announcement has also been made that Helen R. Adams, instructor in English language, has been awarded a scholarship in the Department of English in the University of Pennsylvania. Miss Adams will assume her new position at the opening of the fall term. Miss Irma Willbrand, instructor in German, will leave after Commencement to be married. Her position will be filled during the summer.

With the approaching of vacation many of the members of the faculty have disclosed their plans for the summer months. Two members have made plans to conduct tours to Europe while others will make extended visits in America.

Professor Richard F. Mazzotero, of the Department of Romance Languages, has planned to conduct a party to Europe which will leave on June 26, from New York or Montreal, and will return on August 21 or 29, The tour will cover France, Italy, Switzerland, Germany, Holland, Belgium and England, and contains a number of special features.

BETA KAPPA FRATERNITY INSTALLS CHAPTER HERE

PHI ALPHA KAPPA BECOMES FIFTEENTH CHAPTER OF NATIONAL SOCIETY

The formal initation and installation of the Phi Alpha Kappa Fraternity as the Xi Chapter of Beta Kappa National Fraternity, was held at the chapter house on Spring Street, last Friday and Saturday, May 21 and 22

On Friday evening the initiation ceremony was held at which time twelve alumni and the present active members of the local society received the obligation to the National organization. The Grand President of Beta Kappa, Arthur S. Williamson of Iowa City, was in charge of the ceremony. He was assisted by the following representatives of four active chapters; Messrs. Watson and Fitzgerald of Tufts College; Flocken, Irish, and Cawdry of the University of Cincinnati; Duncan of Miami University; and Ware and Knierem of Bucknell.

The installation of Xi Chapter and the delivery and signing of the charter took place Saturday afternoon at three o'clock. The formal installation banquet was held at the Kepler Hotel that evening at six o'clock, and later a formal reception was held at the chapter house.

Beta Kappa Fraternity was founded in 1901 at Hamlin University, St. Paul, Minnesota. At the present time Beta Kappa has fifteen active chapters. These are situated at Hamlin University, University of Washington, Nebraska Wesleyen, University of California, Middlebury College, University of Cincinnati, Bucknell University, Tufts College, University of Nevada, University of Illinois, Oregon Agricultural College, University of Wisconsin, Miami University, University of Maine, and Allegheny.

HOLDING OF MOVING-UP DAY EXERCISES A DOUBTFUL ISSUE

Discontent and the lack of enthusiasm in the programs of past years has given rise to the question as to whether the Moving-Up Day exercises will or will not be continued. The problem has been made even more difficult by the fact that Monday, May 31, the traditional day for the affair, falls on a holiday.

The issue has been referred to the permanent Chapel Commission. This committee will probably bring the matter before the Student Senate to determine what action shall be taken for this year. In case it should be decided to maintain the exercises, Saturday, May 29, will in all probability be chosen.

LATE COMMENCEMENT (?)

How does a late Commencement strike you? It probably does not make a great deal of difference to the young lady students of the College, but with the young men it is a question of some importance. Briefly, the issue amounts to work or no work during the summer months. Most of the educational institutions in this district close one or two weeks before Allegheny, thereby enabling students of the former colleges to be home sooner than those of our own College. Those men who do not have a "pull" are thus put to a decided disadvantage in securing work for the summer. When one considers that nearly one-half of our men students are dependent on summer employment in order to return to school the next fall, the question and its solution become all the more appalling.

Another thing to be considered about late terms is the decided advantage that the opponents on our football and basketball schedules secure. Allegheny's practice sessions are somewhat curtailed by the late season, causing her teams to meet those of other schools which have had one or two weeks more practice and training. The football season is nicely started in some institutions when Allegheny is playing only her first game. This means that Alleghe, in some cases, in order to win a championship, must win all games scheduled to keep pace with opponents who have played one or two weak teams and are therefore better able to stand up against good opposition. The old adage, "Practice Makes Perfect," works in well at this point, so why cannot Allegheny start all terms one or two weeks earlier and give the football team a chance to play a weak opponent before tackling the stronger ones?

We believe that a school year commencing September 7 and ending June 7 would prove of more benefit to all students concerned than one opening and closing two weeks later as Allegheny's calendar calls for next year.

PAGE THE FACULTY MONITOR

Several weeks ago when suggestions were offered by the chapel commission that the chapel services be changed so that chapel would be held three times a week instead of five, quite a bit of opposition was met with from some members of the faculty. One of their biggest points of argument was that if chapel were at twelve o'clock the students would be anxious to get home for lunch and would consequently cut chapel.

After a month's trial it appears that the students are attending the twelve o'clock chapel more frequently than they did under the former plan. But what of the faculty? Few of the seats on the back of the platform are ever filled, and this is not due to the fact that all the faculty are sitting in the student section, we are sure. Is it that, since only the departmental heads are supposed to sit on the platform, the other instructors think that the students will not notice their absence, or have these august persons fallen victim to the snare which they were afraid would keep the students from chapel—that of taking lunch at twelve o'clock? Whatever the motive may be, it should be remedied so that it does not interfere with the chapel hour, for the students are not greatly encouraged to be present when even the faculty does not attend.

Will it be necessary to include in the chapel rule, "Attendance Required Three Times a Week by Both Students and Faculty?"

TAKE A WALK

Now that nice weather is here at last and the joys of tennis, hiking, baseball and other sports vie with the horrors of the fast approaching exams, there are some among the student body whom a sense of fear, duty or responsibility inveigles into the College Library—to study. Motivated by a righteous desire to get some work done we cannot help but resent, more than ever, those who use the library as a social center and whose eternal noisy chit-chat is disturbing, to say the least. We, too, like to talk, but this is one of the critical periods of the school year and we would suggest that courtesy, which is only another word for consideration of others, demands that the chatterers should seek other haunts so that the student may get his work done before the zero hour. We recognize the temptation to indulge in a little conversation, but we think that a stroll around the campus would suit some student's purposes much better than the somewhat gloomy precincts of the library.

I expect to attend the Commencement Exercises on June 11, 12, 13, 14, 15. (Cross out dates absent.)

FRESHMEN LISTS ALMOST COMPLETE FOR NEXT YEAR

The enrollment of freshmen for the fall term, which opens on September 21, is practically complete. There are at present one hundred and eighteen men and fifty-seven women whose applications have been returned and accepted by the College office. This number completes the enrollment for women. The applications of a few more men are yet to be accepted.

A plan has been suggested by which incoming freshmen would visit the College several days before registration and receive lectures concerning Allegheny. In this manner they would be properly instructed as to the conditions of their new life before the College opens. A faculty committee has been appointed to study the proposition, but up to the present time nothing definite has been done concerning the execution of this plan for next fall.

ALL ALUMNI REQUESTED TO RETURN ELECTION BALLOTS AND RESERVATIONS AT ONCE

All alumni who have not yet voted for the alumni trustees are asked to do so at once and also to pay all dues in order to simplify the work of the alumni secretary before Commencement Week. Several hundred ballots have been returned, but there are a great number that have not been sent in. In case a ballot has been lost another will be sent upon request. The polls close at two o'clock on Tuesday, June 15.

Reservation blanks for Commencement Week have been mailed to all alumni, a copy of which is also printed in this issue of The Campus, so that all those who wish to avail themselves of the free tickets to the College play, "The Goose Hangs High," for Friday evening, and for the Alumni Luncheon on Saturday noon, June 12, may do so at once. Attendance at the luncheon is necessarily limited to the alumni, their husbands and wives, the trustees and their wives, the faculty and their wives, the senior class, and a few ex-students who have been out more than five years. It is requested that all reservations be made at once.

MEMBERS OF SCHOOL OF PRACTICAL CHRISTIANITY PRESENT GIFTS TO INSTRUCTORS

The Allegheny School of Practical Christianity held its regular weekly meeting last Sunday morning, May 23, in Ford Memorial Chapel. In the absence of Supt. Clarence Avey, Mr. Edward Hudson led the services.

Before taking up the regular classes, Mr. R. L. Kirkpatrick presented Dr. and Mrs. Woodring with several Victor records in appreciation of the services that they have rendered to the Sunday School. Doctor Schultz was presented a book in appreciation of his services as a teacher of one of the classes.

The members of the Sunday School decided to present the College Library with several volumes of religious books which are to be at the disposal of all students. Dr. W. F. Woodring and Mr. Kirkpatrick were appointed to select the books.

Next Sunday, May 30, will be the final meeting of the school this term. Plans for the opening of the school next Fall have not yet been fully completed.

ERIE ALUMNI ASSOCIATION HOLDS ANNUAL DINNER AT HOTEL LAWRENCE

President James A. Beebe was the guest of the Erie Allegheny Alumni Association at its annual dinner which was held in the Hotel Lawrence, Erie, on Tuesday, May 18.

Thirty alumni were present to greet the President and to make him an intimate member of that group of Alleghenians.

At this meeting the Association, which has been in existence for several years under no definite organization, accepted a constitution submitted by Mr. O. J. Graham, the retiring president.

ELMER H. WILDS. 1910. WRITES UNIQUE TEXTBOOK

ALUMNUS - EDUCATOR PUBLISHES WORK ON EXTRA-CURRICULAR ACTIVITIES

Elmer Harrison Wilds, '10 who is now Professor of Education at the Western State Normal School, Kalamazoo, Michigan, has recently published a book entitled Extra-Curricular Activities. This book not only fills the need of a practical textbook realing thoroughly with the develompnet, organization, administratioi, and problems of extra-curricular activities in the schools, but it also provides a helpful manual for the guidance of principals, deans, supervisors, coaches, faculty committees, and officers of student organizations. It presents a minimum of theory and a maximum of practical suggestions and workable plans. Although it devotes some space to a sketch of the development of extra-curricular activities, to a statement of the sociological and psychological theory upon which a sound extra-curricular program should be based and to a consideration of the various activities and their relationship to the work of the regular curriculm, the bulk of the book is given over to discussion and criticism of the detailed proceedure in the orgonization, supervision, and financing of the so-called "outside" activities of the school.

The plans and suggestions offered in this book are based largely upon the author's own experience as a coach, sponsor, and director of various extra-curricular activities in high schools, colleges, and teacher-training instisutions. Despite the fact that it was whitten primarily as a textbook for use in colleges and normal schools, it will be found to be of value to all persons who have anything to do with extra-curricular activities.

TWO MEMBERS OF FACULTY

(Continued from Page 1)

Miss Grace Bacon is conducting her thirteenth trip abroad. The party will include seven girls from Allegheny and Mount Holyoke Colleges. It will leave New York on June 19, on the Pennland steamer and will return home September 7. The tour will include England, France, Holland, Belgium and Switzerland. Many of the chateaus of France will be visited, and a number of motor trips will be taken.

The plans which many of the other members of the faculty have disclosed are as follows:

President Beebe has booked a number of engagements to speak before various theological summer schools in the states of New York, Ohio and Indiana.

Dr. C. F. Ross will spend a week at Chautauqua Lake after the summer session.

Dr. J. R. Schultz is general manager of a Redpath Chautauqua which will leave Niagara Falls on June 16, and will cover New York State and the New England States. The company will finish its tour in the State of Maine about September 1.

Dr. H. W. Church will motor through the State of Michigan.

Dr. I. R. Beiler will take over a number of Bible courses at a summer school at Round Lake, N. Y., in the month of July.

Dr. W. F. Woodring, after finishing his teaching in the summer session, will spend some time in Chicago and Philadelphia in connection with the universities located in those cities. He will also represent the University of Chicago at the semi-centennial conference to be held at Grove City College in the middle of June.

Miss Alice Spalding is planning to make a short trip to southern Europe.

Miss Edith Rowley will teach an introductory course in journalism in the Chautauqua summer school. While there she will also be editor of the "Chautauquan Daily."

Many of the members of the faculty will be occupied the greater part of the summer as instructors in the summer session here in Meadville.

BIOLOGY STUDENTS TAKE ANNUAL TRIP TO PYMATUNING SWAMP

Last Saturday morning, May 22, thirty-six students and faculty members set out for the Pymatuning Swamp under the leadership of Game Protector Langdon and Dr. C. A. Darling. For several years the students in botany have made this annual trip with the hope of securing new specimens to help them in their work.

Many rare flowers, including orchids and lady's slippers, were among the finds. Several water snakes were also procured. However, the prizes of the afternoon were a pair of young red-shouldered chicken hawks. One of the members of the party removed them from their nest in a lofty tree, and they now occupy an outstanding place in Doctor Darling's private collection.

The Rev. Fred Stockton, '04, of Largo, N. D., visited friends in Meadville last week.

KALDRON TO BE DISTRIBUTED TO STUDENTS DURING SECOND WEEK OF EXAMS

The Kaldron will be ready for distribution during the early part of the second week of examinations. A more definite date will be announced later. As has been the custom of past years the annual will be distributed from the Treasurer's Office. There are several novel features in this year's Kaldron which the editor is unwilling to disclose at this time, but it is understood that they will add a great deal of interest to the Year Book.

THIS AND THAT IN ALLEGHENY ATHLETICS

Two and One

The Blue and Gold track team showed itself to be considerably stronger in several respects than it was against Geneva when it defeated the Rochester University squad Saturday, thus finishing up its short season with a record of two victories and one defeat. A big margin in second places gave Allegheny the winning advantage, the firsts being split evenly at seven apiece.

A Great Race

The 440 yard dash at Saturday's meet was a regular thriller. Captain Suttle, of the Yellow squad, took the pole at the start and held it until the home stretch when Captain Williams, of the Allegheny team, came abreast of him. The last fifty yards of that home stretch was the scene of a mighty interesting battle for the lead between the rival captains, Suttle's burst of speed at the end enabling him to break the tape first.

So Was This

Jack Bogardus, veteran Blue and Gold distance man, staged a courageous and successful fight for second place in the mile run after trailing his Rochester opponent for three laps. Sprinting against the wind as he came down the stretch at the start of the final lap, Bogardus gradually cut down the big lead of the New Yorker and went around him to follow Alvin Jones closely at the tape.

Al Came Through Nicely

Clinching his letter with a couple of points to spare, Al Moon, freshman weight man, showed up well in this meet. He copped a second in the shot, pressed Cibula closely in the discus, and took a third in the javelin. Allegheny's two Als, Cibula and Moon, gave a mighty good account of themselves in the javelin, forcing Hedges, Rochester star to the limit to win and break his own record with a heave of 156 feet, 10 inches.

5000 Sales is Their Goal

Yesterday afternoon, 31 members of the Block "A" Club, each with a team of four men, covered the entire town in a ticket selling campaign for the benefit movie of the Athletic Association, the "Greater Glory", which will be shown at the Park Theatre Monday, Tuesday and Wednesday, of next week.

Did You Buy Your Tickets

Remember it was the aim of these men that they would have 100% student support for the campaign before they hit up the townspeople! Well, they haven't got it yet! There are still a number of Alleghenians who don't have tickets. Better do your bit towards the Athletic Association now, and also get tickets at no more than the regular price for one of the best shows of the season. To borrow a well-known slogan of Community Chest Drives — "Suppose Nobody Cared?" What would then become of athletics at Allegheny?

This is Interesting

Bill Butler, Geneva sprinter, who had things pretty much his own way when the Covenanters met Allegheny, won both the 100 and 220 against a classy field at the Pitt Intercollegiates Saturday. D'Aiuto, of West Virginia, Moore of Pitt, and Elliott, Bethany decathalon star, lined up against the flashy negro at the start. The winning time in the century was 10.3, and a mark of 22.2 won the 220. Incidentally, Hubbard, a teammate of Butler, set two new records in the shot and discus as he took those events. West Virginia won the meet, Pitt was second, and Bo McMillan's outfit a close third.

FIVE MORE GAMES PLAYED OFF IN INTER-FRAT LOOP

THREE CORNERED TIE LOOMS IN DIVISION A—NON-FRATS WIN IN SECOND SECTION

In spite of the rainy weather and the pressing social demands of Spring parties, five games have been played off in the Inter-Fraternity League during the past week, the results of which in the case of Division A have caused considerable change in the standings of the teams. In Division B, the Non-Frats annexed their third and last game, thereby gaining undisputed leadership in their division and also the right to meet the winner of the other division to decide the championship of the league. In Division A the Phi Psis, erstwhile leaders, went into a tie with the Sigs, each team having won three games and lost one. There now looms the possibility of a three-cornered tie in this section so that several games must yet be played before divisional honors are determined. These games will be played within the next few days so that the championship contests may be played off before exam time.

Tuesday afternoon, May 18, the Chi Rhos and Delts registered wins over Phi Alpha Kappa and Beta Upsilon respectively. In the first game the Chi Rhos and Phi Alphas literally fought all of the way before the former outfit was able to gain a 5-4 victory. The losers staged a rally in the last inning but fell one run short of tying the score.

Batteries: Alpha Chi Rho, Waleskie and Meadowcroft; Phi Alpha Kappa, E. Cossman and Brantlinger.

The second encounter of the afternoon turned out to be a one sided affair with the Delts swamping the B. U.'s, 12-1. Rhodes, pitching for the Highland Avenuers, allowed but five hits while his team mates found Pyle and Zetler for 10.

Batteries: Beta Upsilon, Pyle, Zetler and Reuning; Delta Tau Delta, Rhodes and Butler.

Another top-heavy score of 16-1, was turned in by the Non-Fraternity team when they took the Phi Delts into camp, Thursday, May 20. The unaffiliated men hit Thompson hard, scoring eight runs in the first inning and adding two more in the third, fourth, sixth and seventh frames, while Burchard held the opposition to one hit. In the fifth inning the Phi Delts made their lone tally when they got a runner in on a balk pitch.. In the sixth, Titus, a utility fielder, drove the ball to the cement steps in right field whence it bounded over the wall and went for a homer. Baker led in the batting with four hits out of five trips to the plate.

Batteries: Non-Frats, Burchard and Gibson; Phi Delta Theta, Thompson, Corbett and Rowlingson.

Monday, May 24, proved to be an eventful day for the Sigs when they took both ends of a double bill, defeating the Delts 5-0 and the Phi Psis 2-1. In the first game the Sigs annexed two markers and were then held scoreless over three frames, but they added three more runs in the last inning when Wescott, Ingram and Hanlon bunched their hits. The Delts managed to eke out only one hit during the fray as Moon hurled shut-out ball.

Batteries: Sigma Alpha Epsilon, Moon and Hibbs; Delta Tau Delta, Smith and Butler.

After a short rest the Sigs proceeded to take on the Phi Psi nine in a hard fought game which ended with another Sig victory 2-1. The Phi Psis scored in the first frame but Moon's pitching and Richard's error with two on, proved to be too much for them. After the third inning both Moon and Blackburn pitched air-tight ball. Ability to get hits when they needed them and strong pitching backed by good fielding, particularly from Hanlon's position, enabled the Sigs to give the opposing team their first defeat of the season and thereby establish themselves in a tie for first place. To Al Moon goes great credit for pitching two winning games in a row.

Batteries: Sigma Alpha Epsilon, Moon and Hibbs; Phi Kappa Psi, Blackburn and Corbin.

ALLEGHENY TRACK MEN WIN

(Continued from Page 1)

Allegheny had things pretty much her own way in the weight events, Kinnunen winning the shot put without exerting himself, and Cibula accounting for five points in the discus. Cibula also took second in the javelin throw, in which event Hedges of Rochester broke his own record by 7 inches. Al Moon took seconds in the shot and discus and a third in the javelin throw, while the Rochester team made a clean sweep of points in the high jump and all but one in the broad jump. The summary:

100-yard dash — Williams (A) 1st; Danner (A) 2nd; McBride (R) 3rd. Time 10.2.

Mile—Jones (A) 1st; Bogardus (A) 2nd; Billingham (R) 3rd. 4:49.

High hurdles—Jenks (R) 1st; Slocum (A) 2nd; Schneckenberger (R) 3rd. Time :16.6.

440—Suttle (R) 1st; Williams (A) 2nd; Shafer (A) 3rd. :52.2.

Two mile—Page (R) 1st; Bentley (A) 2nd; Jones (A) 3rd. 10:32.8.

Low hurdles—Jenks (R) 1st; Slocum (A) 2nd; Schneckenberger (R) 3rd. Time :26.2.
