R. F. D. #1
Bethel, Conn.

My dear Miss Tarbell:

The Foundation Advisory Group has not been called upon heretofore for their reaction on any subject relating to Lincolniana, because it was thought best to begin a very definite schedule of surveys for the year 1942.

An advance copy of Lincoln Lore #663 is attached to this letter which presents with some detail the projects to be undertaken, so that you may be giving some thought to the suggestions made therein.

A list of outstanding Lincoln books for the year 1941 will be made available to the members of the Advisory Group in January, with instructions for forwarding ballots to the tellers.

The entire proceedure for developing this program will be arranged so as to cause you the least inconvenience possible.

Thanks for your willingness to cooperate in this task which I think will contribute much to the general interest in Lincolniana.

Very truly yours,

Louis A Warren
