Mrs. May Bamberton Becker,
c/o N. Y. Evening Post,
Book Guide,
New York City.

Dear Mrs. Becker;

You remember, I am sure, that we talked about asking our State News Department to get up local bulletins to sendtto our people abroad, and that as an introduction to the request, we were going to give up an account of the French News Bulletin of which you told me. I never received the information about it. It is such a nice idea that I wish we could carry it out. Can you give me the facts? I shall be here all of next week. I am not returning to Washington until the 24th.

Very sincerely yours,

IMT/EC
