Dear Miss Hoxie:

I am returning herewith Chapters XIII, XIV and XV of Miss Tarbell's manuscript.

I have not as yet been able to locate the Page number to the reference made to John E. Searles' "Story of the Sugar Trust" - footnote Page 332, Chapter XI.

The only date given for the pamphlet containing the remarks of Norvin Green, President to the Board of Directors, is September 13, 1882. There seems to be no date of publication and no reference to place.

The Short History of the Western Union Telegraph Company is a manuscript which the Publicity Department had compiled from their records and distributed to people asking for dates of consolidations. If this is not satisfactory Miss Tarbell can probably find printed authorities.

Yours very truly

Secretary to Miss Tarbell
