Dear Mrs. Beck:

Miss Yost and I have been discussing the next move that our Allegheny Committee of Twelve should take. Perhaps you remember that at our first meeting we talked of a second tea late in May or early in June at the Pen & Brush Club house. How do you feel about it? I cannot at the moment mention a date as the Club Spring program is not entirely fixed, but I am sure we can get the rooms if the committee feel that it is wise to go ahead. Miss Yost and I are for it. Mr. Robertson wrote me after our party at his house that he hoped we would have another soon and he wanted me to thank all the committee for their efforts. I have been slow doing this because tied up with a rather compelling piece of work.

Won't you tell me how you feel about another Allegheny tea sometime within the next month?

Faithfully yours

Idelle Tarbell

P.S. We have $17.65 in the bank - surplus!
