November 21, 1933

My dear Mr. Kahn:

Your letter of November 14th has just been received I having been out of town for several days.

Now as to the magazine article which I suggested I possibly might write in case I find that the material you give me is of sufficient freshness and body to justify me in going ahead now. I certainly shall try to do an article, but I should want to market it through my regular agent. You see my engagements with him are such that I should feel obliged to do so. In any case nothing should be said or done about it until I have looked over the material.

I have some few notes made from time to time and shall of course follow up certain lines of investigation.

As soon as you can let me see what is available in your Association and what Mrs. Bellamy and Mr. Paul Bellamy are willing to let me see from their files I will take the matter up.

Thanking you for your letter, believe me

Very sincerely yours

Mr. George A. Kahn
