COMMENCEMENT SPEAKERS ARE PROMINENT MEN

BISHOP HUGHES WILL GIVE COMMENCEMENT DAY ADDRESS

Commencement speakers to be here for the occasion, are well known, country-wide personages. Both Bishop Edwin H. Hughes, LL. D., and Lynn Harold Hough, L. H. D., two of the principal speakers for the coming exercises are listed in "Who's Who." Dr. W. W. Youngson and Dr. Ralph Urmy are also men of position in the country. Dr. Fred W. Hixson needs no introduction.

Bishop Edwin H. Hughes, who will deliver the Commencement Day address, is a graduate of Ohio Wesleyan University and the Boston School of Theology. He was, for a number of years, pastor of Center Church, Malden, Mass. Later, Bishop Hughes was president of De Pauw University, and from this position he was elected a bishop in 1908. Bishop Hughes is one of the great preachers of his church of all time. He is the author of a number of books, and is a prime favorite at conventions and large assemblies of men. His selection as Resident Bishop in Boston was largely due to his finished scholarship and his exceptional eloquence.

Dr. Lynn Harold Hough, of Detroit, will deliver the Phi Beta Kappa oration. He is a graduate of old Scio College, of Drew Theological Seminary, and has studied in Scotch and English universities. Dr. Hough has been the pastor of the famous Mount Vernon Place Church in Baltimore, Summerfield Church in Brooklyn and Central Church in Detroit. He was, for a time, president of Northwestern University. Dr. Hough is the author of numerous volumes of essays and other writings, a contributor to "The New Republic," "The Methodist Review," and various other magazines. He is one of the American ministers who have received invitations to fill City Temple pulpit in London. His style is epigrammatic and his delivery most fascinating.

Dr. W. W. Youngson, who will speak at the Vesper Service on Commencement Sunday, is an alumnus of Allegheny and a graduate of Boston School of Theology. For a number of years, Dr. Youngson served important churches in Pennsylvania. More recently he has resided in Portland, Oregon. He has been prominently mentioned for the editorship of the Sunday School publications of the Methodist Episcopal Church. He is an influential member of the General Conference of that church.

Dr. Ralph B. Urmy is to deliver the sermon for the Christian Associations on Commencement Sunday evening. He is pastor of the Bellevue Methodist Church in Pittsburgh. Prior to the time he assumed his station as pastor of the Bellevue Church, he was for many years a pastor in Newark, N. J. Dr. Urmy is an honorary alumnus of Allegheny and is one of the leading ministers of his denomination. He is prominently mentioned for the Episcopacy.

The other principal speaker during Commencement this year is President Fred W. Hixson, who will deliver the Baccalaureate sermon. The other speakers for the occasion have already been chosen from the class which will be graduated this June.

ALLEGHENIANS WILL TAKE PART IN LOCAL MUSICAL COMEDY.

Several of the leading musical parts in "Bob White," a musical comedy to be given by home talent of the city, the latter part of the month, will be taken by Allegheny singers. Alta Postance will be the leading lady, with Sidney Carlson occupying another important part. Prof. John A. M. Stewart also holds a special role. A twelve-voice chorus of six men and six girls, completes Allegheny's representation.

LE PETIT SALON HOLDS LAST MEETING OF THE YEAR.

A musical program was enjoyed by Le Petit Salon at the final meeting of the year held Monday afternoon at the Sigma Alpha Epsilon house.

Instead of college students, residents of Meadville, under the direction of Dr. Church, took part in the program.

"JULIUS CAESAR" TO BE PICTURED HERE

CLASSICAL CLUB IS BRINGING FAMOUS PHOTOPLAY TO ALLEGHENY ON MAY 16

An opportunity for the students to see the motion picture, "Julius Caesar" is offered in a recent announcement of the Classical Club. The production will be presented in the chapel on Tuesday, May the sixteenth.

Those who are even in a small degree familiar with the better photoplays will recall that this six-reel play is one of the most pretentious, as well as beautiful films produced. The title role is played by Anthony Novelli, who bears a remarkable resemblance to the original Caesar. More than 20,000 persons appear in each of the several scenes, thus creating a spectacle quite awesome in itself. It has been declared by several of the best critics and educators of the country to be the "most historically accurate, and, in scenery, the most beautiful motion picture of a classical subject yet presented."

The story of the film follows rather closely the Shakespearean drama of the same name, but, in addition, preserves to the smallest detail correctness in depicting the dress, art and customs of the times.

The film opens with Caius Julius Caesar at his twentieth birthday and follows him through his romantic episode with Cornelia, the daughter of Lucus Cinna, and his banishment due to this affair. His struggle for an election to consulship, his marriage to Calpurnia, his political triumphs, and the military campaigns are all faithfully pictured and vividly and realistically presented.

The climax of the play, the thrilling and dramatic scene when Brutus calls forth from Caesar the words, "Et tu, Brute," is related with excitement and emotional touches which holds the interest of the spectators to the end; the pandemonium of the flaming city, and the rioting, murderous populace of 20,000 human beings massed in the market place is vividly pictured.

COLLEGE EMPLOYS NEW CARETAKER OF GROUNDS

FORMER GROUND SUPERINTENDENT AT EDINBORO NORMAL IS MAN CHOSEN FOR POSITION.

A Superintendent of Grounds and Buildings has been employed by the college, who is to have charge of all maintainance and repairs on the campus, in order that Allegheny can present an appearance that will equal and surpass that of the past.

W. M. Johnson, recently employed in a similar capacity in the State Normal School at Edinboro, is experienced in this type of work. His duties are to keep the campus in the neatest and most beautiful condition possible at all seasons of the year, and to also exert his ability in improving the buildings of the college by adequate and timely repairs.

Employing three full-time men, and a number of part-time workers among the students, Allegheny is weekly spending over $100.00 in the care and upkeep of the grounds and buildings, and the annual repair of the college buildings is in the neighborhood of $12,000.

Mr. Johnson, the new superintendent of grounds and of buildings claims that in his opinion the present damage done to the grass and to the contour of the grounds is not so much the fault of the students as it is of the outsiders, who insist in using the campus as a short-cut to and from their work, and of youngsters, who use it as a playground. He feels that his immediate work will be to put into better condition some of the places about the college that are in need of repairs. Mr. Johnson requests that the students co-operate with him as they can in helping to make the grounds and the buildings of Old Allegheny present to visitors and to residents alike an appearance of unexcelled trimness and beauty.

Combined Clubs Give Entertaining Concert

Last Night's Programme in Chapel Was Heard by Large Audience

Appearing before an unusually large audience in the chapel last night, the two Glee Clubs brought to a successful close their season's work, making an exception of the recital that will be given during the commencement program by the Men's Club on the evening of the nineteenth of June.

All the numbers rendered last night were accepted by the audience with hearty appreciation.

John A. M. Stewart, Director.
Chase R. Gage, Leader of the Men's Club.
William E. Jordan, Manager of the Men's Club.
Alta Postance, Leader of the Girls' Club.
Eloise Fink, Manager of the Girls' Club.
Walker Kinkaid, Accompanist.
Frederick E. Smith, Violinist.
Mildred Ellis, Reader.
Dr. H. W. Church, Organist.

Nicety and apparent ease were two characteristics that were to be noted in the ensemble numbers, which not only spoke well for the individual singers, but also represented an achievement brought about by the ability and effort of Mr. Stewart and Miss Postance during the rehearsals.

"Becky Makes a Hit," the reading given by Miss Mildred Ellis made a decided hit with everyone. While it was of a more or less humorous nature and appealed more especially to the younger section of the audience, the wit, and peculiar appeal of the piece itself plus the pleasant personality and excellent enunciation of Miss Ellis, won the ready approval of young and old alike. Having the touch of personal appeal that it did, it was able to break down the restraint that always exists between the audience and the performers, making the remainder of the program the more acceptable.

Those who know and appreciate the music of a better type were given a treat in the solo work done both by Walker Kinkaid, pianist, and Frederick Smith, violinist. The technique and ability shown by both were excellent. Both men have had previous successes on the platform. Walker Kinkaid has spent three or four years working with glee clubs and orchestras, and has also acted temporarily as accompanist for Bentley Ball in his recitals; and his ability has gone far in making the Glee Club worth while this season. Frederick Smith, who has done solo work in the city for some time, is an instructor in the Pennsylvania School of Music here, and has already established for himself an enviable reputation.

The program as given, follows:

Part One.

"Land of Hope and Glory".....Elgar
Combined Clubs.

Reading, "Becky Makes a Hit."
Miss Mildred Ellis.

"O Sole Mio".....Capua
Double Quartet.

"De Coppah Moon".....Shelley
Men's Glee Club.

Nocturne Op. 55, No. 1 (piano solo) ..... Chopin
Mr. Walker Kinkaid.

"The Village Blacksmith".....Noyes
Combined Clubs.

Part Two.

(a) "My Love Is Like a Red, Red Rose" ..... Garrett
(b) "Aufweidersehen" (Fr. Blue Paradise) .....
Combined Clubs.

(a) "Minuet" (violin solo)....Mozart
(b) "Caprice" (violin solo)..Kreisler
Frederick Smith.

(a) "From the Land of Sky Blue Waters" ..... Cadman
(b) "Rantin', Rovin' Robin"...Taylor
Girls' Glee Club.

"By Babylon's Wave".....Gounod
Combined Clubs.

Having given concerts at Corry, Silver Creek, Jamestown, N. Y., Erie, Cambridge Springs and Sharon, as well as one home concert, the Men's Club feel that they have had a season well spent, and while the Girls' Club has taken no trips, they have given one concert at home that was a decided success.

DR. ELLIOTT SPEAKS ON NEED OF DEVOTION

Y. M. C. A. WILL SEND FIVE DELEGATES TO THE PITTSBURGH CONVENTION.

After the opening services, conducted by President Boynton, the Y. M. C. A. weekly meeting on last Wednesday was turned over to Dr. W. A. Elliott, who talked plainly and forcefully on one of the present day conditions among students, that of lack of religion on the campus.

Giving some examples to illustrate his thought, Dr. Elliott claimed that the average student does not devote enough time to consistent Chrisian devotion and emphasized the necessity of getting alone to think and ponder over religious things. There is no person but would be better and stronger if he would take time to think over with himself some of his soul problems.

At the close of the regular meeting, a cabinet session was called by President Larson. At this time the Student Officers' Conference, which is to be held at the University of Pittsburgh on May 5, 6 and 7, was discussed. It was voted that the following men attend this conference: C. T. Boynton, C. W. Havice, J. E. Larson, C. S. Thoburn and C. H. Wills. These representatives will probably leave Thursday afternoon for Pittsburgh, and will return Monday.

The Conference is an important feature in college Y. M. C. A. work, and among the prominen t speakers will be Howard Heinz, president of the Heinz Co.

Y. W. C. A. INSTALLS CABINET OFFICERS

ALICE GRENELLE IS PRESIDENT FOR THE COMING YEAR.

The installation of the Y. W. C. A. Cabinet for the year 1922 was held Sunday evening in the Y. W. C. A. rooms in Hulings Hall. Specially arranged music was an added attraction.

Miss Clara Weller, president of 1921, delivered the charge to the incoming president, Alice Grenelle, and officiated throughout the remainder of the service. The following officers were installed: President Alice Grenelle; Vice President, Helen Schaffer; Treasurer, Nellie Titus; Secretary, Helen Fry; and the Under-Graduate Field Representative, Sylvia Barnes. The appointed chairmen of committees are: Devotional, Ruth McCafferty; World Fellowship, Mary Henderson; Bible Study, Anne Rightmire; Social Service, Mary McClean Whitfield; Social, Dorothy Morgan; Music and Conference, Lois Halderman; Association News, Elizabeth Vaughn; and the Town Member is Ruth Ling.

ALLEGHENY ALUMNUS MAKES CONTRIBUTION TO SCIENCE JOURNAL

C. L. JONES, '19, SOLVES MANY OF THE SHALE OIL PROBLEMS.

Charles L. Jones, an Industrial Fellow of the Mellon Institute of Industrial Research, and a member of the Allegheny class of 1919, has recently published a paper on "The Problems of the American Shale Oil Industry." The article, which is of considerable length, appears in the "Chemical and Metallurgical Engineering," of March 22, 1922.

The article is an outline to show briefly the present state of knowledge of the technological problems of this industry and to show the channels of future investigation. Mr. Jones first shows the problems of pure scientific research. He then attacks the problem from a technological standpoint. The problems which confront the engineer are numerous, among the important being the mining and refining problems.

Mr. Jones has been actively engaged at this problem since graduating from Allegheny. He has not only made a laboratory study of this industrial problem, but he has visited various parts of the United States in order to make a thorough study of oil shales.

While in Allegheny Mr. Jones made a remarkable record for himself. He was primarily a chemistry student, but his laurels were won for him in a versatile manner. He was not only a member of Alpha Chi Sigma, but was also a member of Delta Sigma Rho and Phi Beta Kappa. He without doubt is one of Allegheny's most promising alunmi.

DR. McCLEAN TALKS ON MODERN IMMIGRATION

TWENTIETH CENTURY CLUB HEARS DISCUSSION OF EUROPEAN INFLUX INTO U. S.

"Modern Immigration" was the subject of the talk by Dr. Lee D. McClean before the members of the Twentieth Century Club on Monday evening, May 1. The Greek, the Syrian and the Slav were discussed as typical of the new immigration.

Since 1880, immigration from the north of Europe has lessened, with an increase in immigration from the south of Europe. There are three possible causes for this change. First is the great development of transportation. By 1880, direct transportation was established with the south of Europe, so that it became possible for immigrants to embark directly from Mediterranean ports. Second, the economic conditions in the United States no longer presented the marked advantage over those of northern Europe, but they were still better than those of southern Europe. In the third place, when the new immigration started, the old stopped, for the older ones refused to compete with the newer ones who were willing to work for a lower wage.

Dr. McClean then discussed three types of immigrants, the Greek, the Syrians and the Slavs, giving the characteristics of each. The tendency is for the Greeks to go into one line of business, that of keping fruit stands, candy stores and the like. It was pointed out that one of the worst features introduced into the United States from the old world is a system of serfdom existing in the boot-blacking shops. Greek boys are bound out to these establishments, denied all educational opportunity and required to work in unhealthy conditions.

Concerning the Syrian, it was shown that he is temperate, thrifty, and interested in education. His principle occupation is peddling.

The Slavs have entered the United States in recent years more than any other race. Few of them have had any industrial experience upon their arrival here. They are strong in body, and in all of the industries are doing the rough and unskilled labor, especially in the steel mills, and coal mines.

Concerning immigration of the future, Dr. McClean stated that it, like that of the recent past would undoubtedly be for economic reasons. When people immigrate to the United States for such a cause they will certainly be people of lower intelligence, living in lower and undesirable economic conditions. Statistics were given to show how the immigration law of the past year, which limited immigration of each race to 3 per cent. of the number of people of that race in the United States in 1910, had limited imgarimmdng- aching s on T AA A migration to 355,000, and permitted a larger immigration from the north of Europe than the south of Europe. A bill for the continuance of this law, which expires June 1, 1922, is before Congress at the present time.

ADVICE AGAINST CONCEIT GIVEN BY REV. H. H. HOUGH

LOCAL MINISTER ADDRESSES STUDENTS AT THURSDAY CHAPEL.

Rev. H. H. Hough of the Stone church gave a talk in Chapel Thursday morning. Using as his text, "If a man think himself to be something when he is nothing, he is deceiving himself," the speaker said it is impossible to bluff oneself through life because one eventually has to show the goods.

He said that the person who thinks he is a special favorite, to whom the world owes something, is deceiving himself. The trouble with most college men is that they are not willing to begin at the beginning and work through to the end; rather, they ask favors. But the only difference, said Rev. Mr. Hough, between the college trained man and the man who never went to college is that the college man has a longer road before him. The goal, however, is more worthwhile.

WORK ON DUZER DU PLAY IS PROGRESSING

FIRST ACT HAS ALREADY BEEN PREPARED THROUGH THE CO-OPERATION OF ENTIRE CAST.

Although less than two weeks have elapsed since the cast began rehearsing, most remarkable progress has been made in the preparation of "Grumpy," the play which Duzer Du will present on May 29.

Each member of the cast has been giving whole-hearted co-operation during the daily rehearsals, and the efforts extended have had marked results. The players have not only completely adapted themselves to their parts, but the interpretations of the characters have also been exceptionally praiseworthy.

The first of the four acts has already been quite thoroughly prepared, and work on the second act has begun. It is intended that the final week will be entirely devoted to rehearsing the complete presentation.

EDITORIAL

The Campus is now in charge of the assistant editors.. Each issue is under the supervision of either Mr. Jones or Mr. Bacon. The new editor will be chosen the latter part of the month.

The tennis team will be playing on the local courts Friday afternoon in the first match of the season. A good crowd will be a help in giving the Blue and Gold men victory over the Mountaineers.

With eight individual appearances, the two Glee Clubs closed a very successful season with the concert by the combined organizations last night. Both clubs have been developed to a creditable degree this year, and have served as good advertisements of the college.

The Men's Club in its trips, has drawn capacity audiences and what is more, has pleased them. Only by constant practice under the able direction of Prof. Stewart have the men been able to do this.

Last night the fifty voices of the joint organizations were at their best and the program given was one of the most enjoyable heard here in recent years.

A

A word of congratulation is extended to the men of Delta Kappa in the granting of a charter to them by the Grand Council of Pi Delta Epsilon, honorary journalistic fraternity. To a few men, some of whom were graduated last year and the remainder who will graduate this June, goes the credit for bringing to Allegheny a national fraternity of such a high standing as Pi Delta Epsilon.

With the disfiguration again, for the fourth time this year, of the trees of the campus by tacking posters upon them, one of Allegheny's oldest traditions has been broken. Heretofore, it has seemed that the resulting untidiness of the strewn papers and the scarred trees has been a correlate of the winter bleakness, but now that the grass and trees are freshening up, an attempt should be made to keep the appearance of the campus as nice as possible.

The Y. M. C. A., in its drive of last January, introduced the idea of placarding the trees. But the act was for a good cause and the signs were left up for but a day. The habit was started, however, and the Band tried a similar advertising scheme later, but through the thoughtlessness of the management, the winds were allowed to tear down and scatter scraps of the papers, leaving as souvenirs on the trees the tacks imbedded in bits of paper. This was repeated a month ago by Le Petit Salon. In each of these cases, the posting was done the day before the function, and neglect alone was responsible for the unsightliness produced.

Over a week ago, signs appeared announcing last night's Glee Clubs concert. Unless the management does otherwise than the managers of the Band and the French play, the campus will again be littered and the beauty of the most conspicuous trees marred. If there are not enough bulletin boards in front of and in the various buildings upon which to advertise, certainly the posters should be removed within a reasonable time. Why abuse a privilege?

Below will be found the scholastic standing of the Allegheny organizations. Among the men, the non-fraternity group has made the better record, comparatively; among the women, the fraternity member average was above that of the non-fraternity individual. The general average of the Allegheny individual, 76.6, is not commendable:

SUMMER SCHOOL BULLETIN HAS BEEN PUBLISHED

The College Bulletin announcing the summer course has been out for some time now, and can be obtained from the registrar by anyone who is interested in the courses offered during the summer months. The courses given are for the benefit of teachers who wish to better themselves during the vacation by advanced study, for students desiring to obtain advanced college credits, and any other persons applying, if each professor is satisfied that the candidate is qualified to be admitted to his course.

Outside of the fact that there is a slight change in the education department, the announcements are similar to those of 1921.

WAILS FROM THE EDITOR.

Getting up a weekly publication is no picnic. If we print jokes folks say we are silly—if we don't they say we are too serious. If we publish original matter, they say we lack variety—if we publish things from other papers, they say we are too lazy to write. If we don't go to church we are heathens—if we do, we are hypocrites. If we stay on the campus, we ought to be out rustling for news— if we rustle for news, we are not attending to business on the campus. If we wear old clothes, we are slovenly—if we wear new ones, they are not paid for. So what in thunder is a poor editor to do anyhow? Like as not someone will say we swiped this from an exchange. If so, his estimate is correct; we did.

Many fraternities have Victrolas—but most of them haven't good records.—Trott.

"Any ice today, lady?"
"No, the baker just left a cake."
"Giddap."—Purple Cow.

"If a man marries a widow by the name of Elizabeth, who has two children, what does he get?"
"Give up."
"A second-hand Lizzie, and two runabouts."—Vidon.

Did you hear that Dean Ross got twelve months?
No.
Yes, some one gave him a calender.

"I believe you are kidding me," remarked the surprised father, as the stork arrived with triplets.—Banter.

Drip—Have you heard the new B. V. D. Orchestra?
Drop—No, but why B. V. D.?
Drip—Oh, it's only one piece.—Lord Jeff.

In Haste.

"What time is it, Roomy? I'm invited to a swell party tonight and my watch isn't going."
"Wasn't your watch invited?"
"Yes, but it hasn't the time.

Tactful.

Housewife—How do you tell a bad egg?
Grocer—I never told any, but if I did have anything to tell a bad egg, I'd break it gently.

Doctor's Little Wheeze.

"But doctor, I'm in no position to undergo an operation for appendicitis."
"Aren't you flat on your back?"
"Of course."
"Well, that's the correct position."

Smartie—Calculus is a calculation for calculating all calculatable calculations which are calculated to be calculable.

Her Old Man—Do you smoke, young man?
Babe (modestly, expecting a fat Havana)—Yes, sir; sometimes.
H. O. M. (fiercely)—Well, its a bad habit, sir; a very bad habit.

IT'S YOUR MOVE NOW— — — — — YOU'VE GOT A MEAN JOB

May 11 is the date set for the Senior hop. Mark it down, get the date and "tell her nothing."

The Senior dance this year is going to be an elaborate affair if present plans are carried out. To date very little has been said, but next week's Campus will have the entire story.

No, it's not going to be formal—just an all-college affair, where everyone will be on hand (and foot). Don't forget the date. When? Thursday, May 11. Where? ? ? , ? Time? ? ? ? ? With whom? ? ? ?

WE WONDER IF— — — — — — — — — —IT IS NOT TRUE?

Poets and writers have long laid the scenes of their efforts in the ancient halls of Oxford and Cambridge and have made the halls of those institutions historical and renowned. Through the magic power that makes men choose places where lurks the vestige of intellectual aspirations, for the foundation of literary masterpieces, this habit of choosing colleges and universities has added fame to Yale, and to Harvard. In all cases the learned poets and writers have chosen institutions of great attainment, where can be felt the presence of deep thinking, powerful personalities, and holy traditions.

Although probably none of the students of Allegheny were aware of the fact, on the nights of Thursday and Friday, April 20th and 21st of this year there was being run to full houses in Pittsburgh, a three-act play, the setting of which was laid in Allegheny College. The play, entitled, "At the End of the Rainbow," was given by the Epworth League of the West End M. E. church, and Allegheny songs and yells were used to enliven the affair.

It might be said that according to the old legend there is a pot of gold to be found at the end of the rainbow. There is no purer gold than can be found at the foot of the rainbow that hovers over Allegheny.

The Best Business Career

Is what every ambitious senior is thinking about at the present time. Life insurance is one of the best, one of the most desirable, and one of the most satisfactory as a permanent calling.

In assets and volume of business, life insurance is one of the three leading businesses of this country, yet the field is comparatively under-developed. Only 7 per cent of the economic value of human life in the United States is covered by insurance. This gives an idea of the big field still to be worked, especially business insurance for firms and corporations.

As to remuneration: Reports of college graduates who have entered business indicate that life insurance is at the very top as a source of income. Now is the time for you to consider what you are going to do after graduation. If you are ambitious and willing to work hard and are interested to know about life insurance, address

The REASONS Why We Like to Sell Whitman's CANDIES

1. We think they are absolutely the nicest candies we know of.
2. They have the largest assortment of packages to select from.
3. They come direct from Whitman's to us, to you—no jobber or middleman to hold them a week or two.
4. Always the same, fresh, good and pure.
5. They are a business people, with business methods. If at any time you should happen to get a package that for any reason does not please you, they back us in making it right.
6. We know you are better satisfied when you get a package of Whitman's.
7. Last, but not least, they are the makers and we are the sellers of the world's greatest package of candy—THE SAMPLER.

Interscholastic Track Meet Promises Rivalry

Twelve Entries Have Already Been Made—More Expected

With approximately twelve high schools already entered and more entries coming in every day, the Eighth Annual Interscholastic Track and Field Meet to be held under the auspices of Allegheny College promises to be the most successful of its kind.

South High of Youngstown, Central and Academy of Erie, Beaver Falls, Johnstown, Monessen, McKeesport and Ashtabula Harbor are some of the more prominent entries for the annual Montgomery Field classic of May 13. South High, winners of last year's meet, are out to repeat their success and are sending a strong list of competitors. Central and Academy High Schools, runners-up last year, are also sending better teams and this, coupled with their natural rivalry, will be productive of some keen competition. Beaver Falls has done some remarkable work here in former years and reports assert that she is not weak this spring. Johnstown, Monessen and McKeesport are unknown quantities insofar as the local interscholastics are concerned, as they have never participated in one of them. However, the teams from this district are usually very strong and many upsets in the dope will probably be evident before the meet is over.

Information concerning some of the high school stars who will appear here reveals the fact that some remarkable performers will be present and some predict that many of the old records will fall before this array of talent.

The meet will be given a very personal tinge as "Oc" and "Gus" Anderson, "Frenchy" Poux, "Al" Carmont and other former stars gather to view the events. "Oc" and "Gus" Anderson are now coaching at Academy and Central, respectively, while Poux is performing similar duties for his Alma Mater, Meadville High.

With their arrival on Friday afternoon the men will be taken to the different fraternity houses, where they will remain until ready to depart for their homes.

Those who witnessed the meet of last year were thoroughly impressed with the efficient and prompt manner in which the numerous events were run off. The varsity track men will again be in charge of the program and all indications point to a good afternoon's entertainment. Dr. R. E. Lee will officiate as starter.

ALLEGHENY VS. THIEL IN LOCAL POOL TOMORROW NIGHT

Allegheny's first home swimming match is to be against Thiel, Thursday night. Both colleges will be repsesented by the same teams that met two weeks ago, with Allegheny an overwhelming victor.

FRATERNITIES OPPOSE DRINK AT CORNELL.

Sixty fraternities and clubs of Cornell University have informed the faculty that they will control any excessive use of intoxicating liquors among the students. The announcement was made recently by the chairman of the Social Affairs Committee.

The restrictions adopted by the student body bar liquor from fraternity houses, and will make an effort to prohibit indulgence in intoxicants at social functions.

BETTER BRAND OF BALL IS DISPLAYED IN LAST WEEK'S GAMES

Many of the inter-fraternity baseball games this last week displayed a good brand of ball. Although most of the teams were not evenly matched the contests show that some better ball, and closer games are in store later in the season.

Following are the results of last week's games in the Inter-fraternity league:

W. VA. RACQUETTERS WILL BE HERE FRIDAY

MOUNTAINEERS ARE AFTER TRI-STATE TITLE THIS YEAR

Allegheny's tennis season will open next Friday afternoon when the strong West Virginia University netmen will furnish the attraction on the local courts. This will mark the renewal of athletic relations between the two institutions.

The West Virginia University tennis team, which was barely nosed out of the tri-state district title a year ago, launched its 1922 sectional campaign against the University of Pittsburgh racquetters at Pittsburgh yesterday afternoon in the first match of a five-day trip through Western Pennsylvania. Captain E. G. Coffman and his teammates were originally scheduled to open this trip with the Pittsburgh Athletic Association in the Smoky City on Monday, but this match was canceled at the last minute and consequently the Panthers were the varsity's first opponent.

The Mountaineers are determined to capture the court title this spring, and, although handicapped by the lack of practice, they are fairly confident of winning a majority of the five matches to be played on the trip. Last season the varsity won "home and home" matches from both Pitt and W. & J. and held the champions, Carnegie Tech, to a 3-3 tie once, only to lose the title when defeated by the Skibos in a return match at Pittsburgh. This defeat was the only reverse suffered by the Mountaineers during the strenuous 1921 campaign and, profiting by their mistakes in this match, the W. Va. men hope to win from Tech on the trip.

After meeting Pitt on Tuesday, the Mountaineer squad will go to Washington, Pa., where they will play the Washington and Jefferson College net-men today. Thursday will find West Va. pitted against Thiel College at Greenville, Pa., while Friday they will be the attraction against Allegheny. The jaunt will close with the Carnegie Tech match on the Skibo courts Saturday afternoon.

So far the Mountaineers have played but one match, being defeated by Lehigh 4-2. However Cutwright, of W. Va., defeated Beall, of Lehigh, who in turn won over Keil, the Carnegie Tech ace. Besides Cutwright, the following men will probably make the trip: Coffman, Riley, Hutchins, Olmstead and La Poe.

CORNELL HAS CLASS FOR REFEREES.

Cornell University has organized a class in basketball officiating. The students will be given an opportunity to referee at the varsity scrimmages and at intercollegiate, inter-fraternity and independent league games.

If sufficient ability is shown, the men will have a chance to be appointed by the committee in New York as approved basketball officials.

ALLEGHENY SWIMMERS WIN FROM OIL CITY

FINAL SCORE IS 33-25—WRIGHT AND TRAVIS MAIN POINT-GETTERS.

Allegheny's newly organized swimming team defeated the Oil City Y. M. C. A. tankmen in a dual meet last Friday night by a score of 33-25. Both sides were represented by capable men, and the result of the meet was doubtful until quite near the close. A large group of spectators witnessed the contest.

Allegheny took first place in the relay race, 40-yard dash, 100-yard dash, and 200-yard swim. The "Y" swimmers won the plunge, dives and the 40-yard back stroke. Every event was closely contested except the 200-yard swim, in which Travis of Allegheny, led his men at the finish by at least 35 yards. Wright and Travis were the chief scorers for Blue and Gold, while Himebaugh and Shantz were the outstanding men for Oil City. The most exciting event of the program was the 160-yard relay. After three men had swum for each side, Oil City was about ten feet in the lead. "Vic" Wright, last Allegheny swimmer, was able to overcome the handicap and by the end of the race had a lead of three feet on his opponent.

A summary of events follows:

160-yard relay—Won by Allegheny: Travis, Black, Fry and Wright. Oil City team: Vickers, Kistler, Hipwell and Himebaugh.

Plunge for distance—Steck, O. C., 51 feet 6 inches; Demmler, A., 46 feet 2 inches; Croft, O. C., 40 feet.

40-yard dash—Wright, A.; Travis, A.; Himebaugh, O. C. Time—21 seconds.

Diving—Shantz, O. C., 42 points; Kistler, O. C., 36 points; Fry, A., 31 points.

40-yard back stroke—Himebaugh, O. C.; Wright, A.; Hipwell, O. C. Time—28 3-5 seconds.

100-yard free style—Travis, A.; Wright, A.; Kistler, O. C. Time—64 3-5 seconds.

200-yard free style—Travis, A.; Hipwell, O. C. Time—2 minutes 28 3-5 seconds.

The officials of the meet were: Starter, W. B. Lamberton; Timers, R. P. Anderson and Winfield Zehrung; Judges, F. M. Shantz, A. M. Turney, J. Adams and Dr. P. J. McLain; Scorer, Highgate; Announcer, Hinckley.

NOTES ON THE PENN RELAY CARNIVAL.

Earl Thompson, of Dartmouth, was an outstanding star, winning the 120 high hurdles in 15 seconds and the discus throw easily.

W. and J. took third place in the college class one-mile relay, which was won by Bucknell in 5:29 2-5.

Leconey, of Lafayette, tied the Carnival record of Arthur Duffy, made in 1900, when he stepped the 100 in 9 4-5 seconds.

Ashton, Westminster's lone representative in the Carnival, took second place in the discus throw with a heave of 131 feet.

West, W. and J.'s all-around athlete, scored a total of 18 points for third place in the Pentathlon on Friday. Alderette, the promising Freshman, took fourth place in the running broad jump with a leap of 22 feet 2 3-4 inches.

The University of Pennsylvania two-mile relay team, composed of Capt. Larry Brown, Meredith, McMillin and Hanlon, won their event in the remarkable time of 7 minutes 49 2-5 seconds, thereby breaking the former Carnival record made in 1919 by the famous Oxford-Cambridge flyers.

GENEVA TRACK TEAM TO BE MET SATURDAY

CLOSE MEET IS IN PROSPECT—SIXTEEN MEN MAKE TRIP.

Allegheny's track team will be pitted against that of Geneva College next Saturday afternoon at Beaver Falls. This promises to be a very close meet, as the Geneva representatives decisively defeated Mount Union College at Alliance, O., last week by a score of 75-47. Captain Windram was high point man in this meet and will, no doubt, provide some stiff competition for the local dash and hurdle men. Klee, Hudson and McCracken ably assisted Windram in amassing this large total.

The Blue and Gold cinder men have profited greatly by the abundance of fair weather since the Pitt meet and surely ought to give a good account of themselves despite the loss of Miller and Judd, who are still ineleg-ible. The return of McGowan is expected within the next few days and his presence will greatly strengthen the team. Besides McGowan the following men will make the trip to Geneva: McCreary, Bender, Ellsworth, Wimmer, Pringle, Nelson, Kirschner, Bliss, Little, Reams, Taylor, Moore, Agnew, Cunningham and Captain Crumrine.

SPORTLETS.

Carnegie Tech and Lehigh tennis teams played to a 3-3 tie last Saturday afternoon on the Plaid courts.

Seventy-five high schools have already entered the annual West Virginia High School track and field championships to be held under the auspices of West Virginia University on May 13.
