## COLLEGE MUSEUM TO BE OPENED TOMORROW NIGHT

### VALUABLE COLLECTIONS HAVE BEEN MOVED TO NEW QUARTERS IN ALDEN HALL

Tomorrow evening students will be given the opportunity to inspect the Allegheny College Museum for the first time since its removal from Ruter Hall to the basement of Alden Hall. The museum will remain open from seven o'clock until nine o'clock, during which time Doctor Darling and Professor Dale Thomas will be present to explain the specimens exhibited.

After the opening the museum will be open every Saturday, although members of the faculty, students, and friends of the College are welcome at all times.

Early last fall the work of removal began from Ruter Hall, where the museum has been situated since the time of its origin. The collections have been rearranged, the basement of Alden Hall was remodelled to receive the specimens, and a very adequate system of overhead lighting has been installed. The museum is now located where it will be most convenient to the students in geology whose work deals with such things.

First mention of the museum was made in the College Bulletin for 1865 where a good deal of space was devoted to it. Geology and mineralogy held a large place in the curriculum at that time.

The foundation of the museum was laid by the acquisition of the Prescott collection, which consisted of twenty-four hundred shells, both marine and terrestrial, and three thousand specimens of minerals and fossils. This collection was made by Dr. William Prescott of Concord, New Hampshire.

About the same time the Francis Alger collection was added. This collection cost Mr. Alger of Boston over thirty-five thousand dollars and consisted of five thousand minerals and fifteen hundred shells. A third collection, of minerals, fossils, and shells, was received from Professor S. S. Haldman of Columbia, Pennsylvania.

In addition to these collections, the museum is in possession of thousands of famous casts by Prof. Henry A. Ward, of the University of Rochester.

## BUSINESS MEETING HELD BY ALUMNI DIRECTORS

### PLANS MADE FOR ALUMNI COMMENCEMENT PROGRAM—OTHER BUSINESS TRANSACTED

At a business meeting of the Alumni Directors held in the College Library on Tuesday, May 12, plans were made for the Alumni Commencement Program, and other important matters were discussed. The directors present at the meeting were: A. A. Culbertson, '01, Erie, Pa.; Mrs. W. H. Pratt, '98, Pittsburgh, Pa.; Louis A. Wells, '14, Cleveland, O.; C. W. Gill '07, Karl A. Miller, '08, and Miss Edith Rowley, '05, all of Meadville, Pa.

Plans for the Commencement program at the Alumni Luncheon provide for a plate lunch as last year. Instead of impromptu talks there will be songs and stunts by the classes holding reunions. Addresses will be made by A. W. Thompson, '97, Chairman of the Board of Trustees, and Acting-President C. F. Ross. A business meeting will follow the luncheon.

Louis A. Wells, '14, Chairman of the Home-Coming Day Committee, reported that the plans for this annual event are well advanced.

A. A. Culbertson, who is a member of the committee on the selection of a new president for the College, reported that much work had been done, and that the committee hopes to recommend candidates by June.

C. W. Gill, who has charge of compiling the new Alumni Register, reported that work was progressing favorably and that the book would probably be ready for distribution this fall.

A report was made by Mr. Wells on the favorable attitude of the alumni toward the plan for a full-time paid Alumni Secretary. A committee was appointed to search for a suitable person to fill this position.

Mr. Gill was appointed to secure a list of rooms for alumni during Commencement Week, so that those returning will have no difficulty in finding accommodations.

## FAMOUS BISHOP TO GIVE PHI BETA KAPPA ADDRESS

### F. J. McCONNELL, LL.D., TO SPEAK BEFORE HONORARY SOCIETY AT COMMENCEMENT

Bishop Francis J. McConnell, LL. D., of the Pittsburgh Conference of the Methodist Episcopal Church, has been secured to deliver the Phi Beta Kappa address at 8:00 p. m., Saturday, June 13, as a part of the annual Commencement exercises of the College.

Entering the Methodist Episcopal ministry in 1894, Bishop McConnell embarked upon a career that has been in close touch with the religious and educational world ever since. From the time that he was officially ordained as a minister he has served in the following pastorates: West Chelmsford, Mass., 1894-1897; Newton Upper Falls, Mass., 1897-1899; Ipswitch, Mass., 1902-1903; Brooklyn, N. Y., 1903-1909.

Reverend McConnell was president of DePauw University from 1909 until 1912, when he was made a Bishop in the Methodist Church in recognition of his many years of service. His experiences with the various congregations have made him exceedingly broad-minded and well informed.

Aside from his religious and educational work, Bishop McConnell has written numerous literary treatises, outstanding among which are the following: "The Diviner Immanence," 1906; "Religious Certainty," 1910; "Christian Focus," 1911; "The Increase of Faith," 1912; "Personal Christianity," 1914; and "Understanding the Scriptures," 1917.

Bishop McConnell was made President of the Religious Educational Association in 1916, and has had numerous other honors bestowed upon him. He is at present a resident of Pittsburgh, Pa.

## ALLEGHENY TRACK TEAM TO MEET ALFRED MAY 29

### NEW YORK TEAM TO APPEAR HERE TO WIND UP LOCAL SEASON

After three week's strenuous training, the Blue and Gold track team will have a twelve-day rest before Alfred is met at Montgomery Field on Friday, May 29, in the final meet of the year. This week's program calls for light workouts, with intensive training being resumed next Monday.

Alfred University, victor over Allegheny last year, is represented by a well-balanced combination, of which McConnell is the outstanding star. This man usually competes in eight or nine events, and may be counted upon to score about twenty-five points. Last season he scored firsts in the 100 yard dash, the 220, and javelin, and seconds in the discus, broad jump, low hurdles, and high hurdles. Gibbs, a hurdler of unusual ability, and Hetrick, star two-miler, may also be counted upon to give strong competition.

Allegheny's overwhelming defeat of Rochester last week would seem to give the Blue and Gold a decided edge against Alfred, but that team, too, holds a decision over Rochester, the Alfred trackers winning by practically the same score as did Allegheny. This meet will find the Blue and Gold trackmen in the best condition of any year, however, and one of the closest contests in recent years may be expected when the New Yorkers appear here.

## Pi Delta Epsilon Formally Pledges Eleven New Members

At two recent meetings, Pi Delta Epsilon, national honorary journalism fraternity, pledged eleven men and elected a president for the next year. On Saturday morning, May 9, the following men were formally pledged: J. B. Gordon, '26; E. A. Hill, '26; G. L. Reid, '26; R. Beyer, '26; M. Kolpien, '26; E. G. Flint, '27; L. A. Graf, '27; R. J. Helmstadter, '27; J. H. Gibson, '27; E. J. McKay, '27; and T. S. Borrell, '27.

On Thursday, May 14, G. Alfred Palmer, '26, was elected president of the fraternity. Each pledge is required to write an original composition before the date of initiation which has been postponed until Thursday, May 28, when both the initiation and the initiation banquet will be held.

## BLUE AND GOLD TRACKMEN WIN EASILY FROM ROCHESTER, 82-44

### Allegheny Trackers Place in Every Event—Jones and Rea Star

Scoring in every event, and performing consistently well in both track and field, Allegheny's track team won a decisive victory over the University of Rochester at Rochester Saturday, May 16. The final count was 82-44. Jones came through with another record-breaking performance in the two-mile, his time of 10:12 breaking the field record and establishing a new Allegheny mark for that event, while Rea's showing in the half-mile also gives promise for another new college record. The Allegheny half-miler stepped the distance in 2:04.4, the fastest time an Allegheny man has done since 1911, when Hilbourne set the present record of 2:03.6.

Captain Judd was high scorer for the Blue and Gold, running up a total of 17 points, and Parnell, with 10, was next. Suttler and Hedges were the stars for the Rochester outfit, the latter establishing a new record in the Javelin throw with a heave of 156 feet 2 inches.

Summaries:

100 yard dash—Williams, Allegheny, first; Danner, Allegheny, second; Suttler, Rochester, third. Time, 10.6.

220 yard dash—Suttler, Rochester, first; Danner, Allegheny, second; Williams, Allegheny, third. Time, 23 seconds.

440 yard dash—Black, Rochester, first; Suttler, Rochester, second; Rea, Allegheny, third. Time, 53.4.

880 Yard dash—Rea, Allegheny, first; Marshall, Allegheny, second; Smith,

## MEN'S SENATE ELECTED IN ANNUAL BALLOTING

### TWO STUDENT MEMBERS OF ATHLETIC BOARD ALSO CHOSEN IN THURSDAY ELECTION

As a result of the election held in Bentley Hall Thursday morning, May 14, the following men were elected to the Student Senate: W. E. Dolde, Phi Kappa Psi; Karl Riemer, Phi Gamma Delta; R. K. Evans, Delta Tau Delta; H. P. Taylor, Sigma Alpha Epsilon; E. A. Hill, Phi Delta Theta; H. L. Morrison, Alpha Chi Rho; R. O. Barber, Beta Upsilon; J. L. Anderson, Phi Alpha Kappa; H. E. Olson, Non-Fraternity. By the same ballots F. A. Parnell and C. A. Dahl were elected to represent the student body on the Athletic Board of Control.

The retiring Senate is made up of L. E. Ross, President, Sigma Alpha Epsilon; W. F. McGill, Vice-President, Delta Tau Delta; G. C. Jones, Secretary, Alpha Chi Rho; J. W. Morrissey, Treasurer, Phi Kappa Psi; W. J. Dale, Phi Gamma Delta; R. E. Piper, Phi Delta Theta; F. W. Mason, Beta Upsilon; G. E. Mason, Phi Alpha Kappa.

An innovation is being made in the policy of the Senate this year when a ninth man is being added to the governing body, a non-fraternity representative.

Parnell and Dahl replace on the Athletic Board of Control W. A. Risher and F. E. Reed who will graduate this year. The Board is made up of faculty, alumni, Meadville Chamber of Commerce, and student members. Its purpose is to make athletics an increasing asset to the College.

The Board is now composed of Dr. R. E. Lee, President; Paul E. Thomas, Secretary; Frederick McArthur, Treasurer; Stewart S. Townsend, Graduate Manager of Athletics; Prof. C. E. Hammett, Dr. R. Bruce Gamble, Carl A. Gilbert, F. A. Parnell, and C. A. Dahl.

## Men's Bible Class Discusses Topic of Christian Community

Dr. C. A. Darling spoke to the Men's Bible Class on the "Social Test of Religion" at their weekly meeting held in the Oratory of Ford Memorial Chapel last Sunday. The characteristics and marks of a religious community were the most important topics discussed.

In beginning his talk, Doctor Darling said that the marks and characteristics of a community were the things that determined the religious standing of that place. He said that a place might look religious, and the people might worship God, but form and worship are not enough to develop a true religious community.

Some of the characteristics of the Christian community were said to be the presence of churches, of neighborly friendship towards each other, Sunday observance, the treatment of strangers, and the activity of the Y. M. C. A. Doctor Darling said that people today are stressing form too much and are getting away from the spirit of the religion. They should follow more the proverb, "Be useful or die," to develop a real Christian brotherhood that is the mark of religion.

Next Sunday is to be the last meeting of the Men's and Women's Bible Classes, and a combined meeting of the two classes is to be held with Professor A. S. Emig as the teacher.

## ANNUAL DINNER GIVEN BY CLEVELAND ALUMNI CLUB

### ACTING-PRESIDENT ROSS GUEST OF HONOR AND PRINCIPAL SPEAKER OF EVENING.

At the annual dinner and meeting of the Cleveland Allegheny Club, which was held on Saturday evening, May 9, at the College Club, sixty members were present to participate in one of the most delightful affairs ever held by the Club. C. C. Laffer, Jr., Ethel Wood, and Frances Greene Hirst, all of the class of '20, were in charge of arrangements which took the form of a party rather than the formal dinner of the past several years.

Acting-President C. F. Ross was the special guest of honor. He spoke of the College program and activities which proved to be of great interest to the members of the Club. He also voiced the sentiments of many of his audience when he re-affirmed his pride in being a graduate of a small college, a small-town college, a co-educational college, and a church college, giving the advantages of such affiliation. Dean Ross was informal in his address, and he was most enthusiastically received.

Louis A. Wells, '14, a member of the Alumni Directors Board, spoke of the movement initiated by the Board for a full-time paid Alumni Secretary. He also told of the request made of the Board of Trustees. J. R. Mills, who has been appointed on the committee of Trustees to investigate the matter, also spoke briefly on the subject. The Club heartily endorsed the movement.

The newly elected officers for 1925-26 are: President, A. L. Munhall, '16; Vice-President, J. R. Mills, '96; Secretary-Treasurer, Ida F. Preston, '11.

## Work on College Year Book Almost Entirely Completed

Work on the 1925 Kaldron is progressing very smoothly; part of the annual has already been printed, and the remaining material is in the hands of the printer. All cuts that will appear in the Kaldron have been secured; all of the written material is ready, and page proof of a large section of the annual has been made up.

This year's Kaldron promises to be an exceptional edition, especially in the cut and feature sections. Several new views of the campus and the various buildings will be included.

The staff wishes to announce that the annual will be distributed before the examinations are completed. Alumni wishing to secure a copy of this year's edition are requested to fill out the blank which appears elsewhere in this issue of The Campus.

Miss Spalding received word last Wednesday of the serious illness of her sister in California.

## NOTED ORGANIST TO GIVE RECITAL AT COMMENCEMENT

### COURBOIN TO MAKE HIS FOURTH APPEARANCE HERE AT COMMENCEMENT

Included among the various events listed on the program for the one hundred tenth annual Commencement of the College is the organ recital by Charles M. Courboin, to be given in Ford Memorial Chapel Friday evening, June 12, at 8:00. With the exception of the actual Commencement exercises, this concert probably holds the most interest for the greater number of alumni and students.

Mr. Courboin is a comparatively well known artist to Alleghenians. He was brought here to play one number of the College Concert Series in January, 1923, and made such an impression that he was prevailed upon to return for both the 1923 and 1924 Commencement exercises.

Mr. Courboin is a Belgian by birth, and while yet a boy became the organist of the Antwerp Cathedral, one of the largest places of religious worship in that part of Europe. By profession, he is a mechanical engineer and specializes in the designing and building of pipe organs. He is one of the very few organists who can successfully operate an organ with which he is not familiar. This is an unusual accomplishment, since no two organs are alike in every detail.

In addition to his successful career in his native land, the organist has pleased many audiences with his recitals in this country. He is guest soloist at the Wanamaker auditoriums at New York and Philadelphia. This fact alone marks him as one of the outstanding organists in the country since the auditorium at Philadelphia contains the largest organ in the world.

## BLUE AND GOLD NETMEN LOSE TO WESTMINSTER

### WEAKNESS OF DOUBLES TEAMS AGAIN CAUSES DEFEAT—SCORE 4-2

In their second match of the season the Allegheny net men lost to Westminster, Wednesday, May 12, by the score of 4-2.

The match was well played and was only decided by the doubles matches. This seems to be the weak spot of the team, inasmuch as W. and J. won by the same route and by the same score last week. The singles went to an even break, McClurg and Hough winning and Bair and Miller losing their matches.

McClurg, the Blue and Gold ace, experienced some difficulty in disposing of Crowe, 8-6, 8-6. It was only due to McClurg's net work that he was able to garner a victory. His great height and reach stood him in good stead and time after time he murdered the ball for easy points.

Hough displayed the same cool and steady playing that won for him in the W. and J. match. Hot drives from the back court gave him an early advantage and he won easily from Gibson 6-1, 6-3.

Bair, playing in first position, met a real opponent in McFate. A bad wind seemed to bother both men and they played very carefully—neither taking the initiative. Bair finally succumbed in three sets, 6-1, 4-6, 7-3.

Miller lost to McDowell of the visitors in straight sets, 6-2, 6-0.

In the doubles matches plenty of action was found. Captain Piper and Hough forced Gibson and Crowe to three sets, finally losing 1-6, 6-1, 6-4. McClurg and Bair lost to McFate and McDowell 6-4, 7-5.

## Article By Stephen Leacock To Appear in Next Alligator

Among other interesting articles in the "Moving-Up Day" issue of the "Alligator" there will be an article by Stephen Leacock, internationally known humorist, whom many will remember by his talk last year upon "Frenzied Fiction."

The winner of the prize for the best column in the "Alligator was decided to be Annabel Mosher.

There are still a few copies of the last issue left and these may be obtained at the office in Bentley. All alumni wishing to obtain copies of the "Moving-Up Day" issue can do so. They will be on sale during Commencement week in Bentley Hall.

## ALLEGHENY ALUMNA TELLS OF WORK IN S. AMERICA

### MISS HELEN MURRAY, '10, TELLS OF A MISSIONARY'S EXPERIENCE IN LATIN AMERICA

Miss Helen Murray, who is a member of the class of 1910, and who is now engaged in missionary work in Mexico and South America, spoke in Chapel last Wednesday morning, May 13.

Miss Murray, in speaking of the missionary work, said that the missionaries in Latin America are met with three charges: First, that they and those who send them are actuated by Anglo Saxon superiority. Miss Murray stated that they, as Anglo Saxons, do have an inherent feeling of superiority, but in their work as missionaries, this is entirely abolished.

The second charge is that the missionaries and their sponsors exert Yankee imperialism. The Latin Americans believe that the United States' only interest in them is the final conquest of their countries, and hence, the Americans are regarded with a great deal of suspicion. This feeling is being slowly overcome by the diligent work of the missionaries.

Protestant intolerance is the third charge brought against the Missionaries by these almost entirely Catholic peoples. Miss Murray stated that since coming north she has seen more evidences of that spirit here than during the whole time she had been in the Latin American countries. Co-operation is the great need of the two churches.

Miss Murray said in closing that one of the primary purposes of the missionaries is to bring about a condition of complete understanding and of friendship among the different countries of the world.

In introducing Miss Murray, Doctor Ross stated that Allegheny is represented through her graduates in twenty-two foreign countries.

Miss Murray has spent a life of service. She has been a teacher in a deaconess school connected with Boston University, and a missionary in Mexico and South America; at the latter

## INSTALLATION SERVICES HELD FOR Y. OFFICERS

### LEADERS OF CHRISTIAN ASSOCIATION FOR NEXT YEAR TAKE OVER DUTIES

At Chapel exercises on Saturday morning, May 16, the installation of the new Y. M. C. A. officers was held in accordance with the program as suggested by the National Association. The retiring officers, R. R. Denison, president, F. W. Mason, first vice-president, J. M. Pratt, second vice-president, C. F. Avey, secretary, and G. A. Palmer, treasurer, were replaced by C. F. Avey, president, G. A. Palmer, first vice-president, G. A. Fallon, second vice-president, E. J. McKay, secretary, and R. J. Helmstadter, treasurer.

After the opening exercises of songs and prayer, the retiring president, R. R. Denison, spoke on the "High Spots of 1924." He said that the Y. M. C. A. had held weekly meetings, sent men to conferences, edited the Freshman Bible, promoted the College Circus and Reception, and brought several interesting speakers here.

C. F. Avey, the new president, then spoke on "What Christianity Should Mean to Us on the Campus." He said that the object of the Y. M. C. A. next year will be to give the students a better understanding of Jesus by weekly meetings, promoting religious literature, holding prayer groups, and conducting a program of bringing nationally known speakers to Allegheny.

Dr. I. R. Beiler then spoke to the urged the students that they each of us must take if Christianity is to rule on the campus. Every person must take it upon himself to help the other person if the right spirit is to exist here.

After the speeches, Dr. C. F. Ross then urged the students that they must help these five men during the coming year so that Allegheny will be known for its religious work as well as its other attainments. A pledge was then taken by the five men in which they promised to do all in their power to make the Y. M. C. A. successful next year.

### ELECTIONS AND FINANCES OF THE STUDENT SENATE

The action of the Men's Senate in the recent election has shown very clearly that the present status of the Senate is unsatisfactory and that a revision of its powers is necessary. The deficiency of the Senate lies not with its individual members but with its constitution, which makes it a compromise between a student representative body and an interfraternal council. As a consequence it is a hybrid organization with two sets of interests to serve, and it fails to serve either adequately. The Senate should be separated from all fraternity interference, for in attempting to serve the interests of one or more particular groups, it obstructs the interests of the whole student body.

This fact was demonstrated last week when the Senate recommended for election to next year's Senate one man from each of the groups of three nominated by the fraternities. The men recommended may or may not have been the best men for the positions; but that is not the point. The point is that the Senate unfairly discriminated against the other nominees; and if their plan had been successful, the effect would have been to make the Senate a self-perpetuating body, for each member naturally decided which nominee should be recommended from his own group. Obviously the Senate cannot be a representative body if each member is to choose his own successor, yet that is what the members proposed to do.

It is true that each fraternity should have one representative on the Senate to secure impartiality, but those representatives should be chosen entirely by popular ballot. Furthermore, the non-fraternity men should be given representation in proportion to their numbers.

The second faux pas made by the Senate was to assess each fraternity twenty-five cents a member for the privilege of voting, without first getting the consent of the fraternities or offering any explanation as to the need or use of the money. Unless some legitimate need for this poll tax can be shown, the money should be refunded to the fraternities that have paid it. Like all other undergraduate governing bodies the Senate should be required to publish in The Campus an annual account of its receipts and expenditures, which should be audited by a faculty member. The price of freshman caps should exceed their cost only enough to provide the Senate with funds for necessary expenses. Finally all elections, of whatever nature, should be closely supervised by faculty members.

### STAY FOR COMMENCEMENT

Many undergraduates leave for their homes immediately after they have completed the final examinations in the spring, thereby missing one of the biggest events of the school year, Commencement. True, the seating capacity of Ford Chapel, wherein the graduation exercises proper are held, is somewhat limited, making it practically impossible for any other than the immediate friends and relatives of the seniors to witness the ceremonies. However, there are many other events on the program which should be an enticement to all who are connected in any way with Allegheny.

Aside from the responsibility of helping in the arrangements which are made to entertain the students and visitors, undergraduates have another duty at Commencement time, which is largely in the nature of a pleasure, that of meeting the alumni when they return in June. Those who have gone on before us have had instilled in them enough love for their Alma Mater to return at least once a year if it is possible for them to do so, and we students of the present college generation should have enough respect for both Allegheny and the alumni to remain and make the acquaintance of those who come back.

If the Commencement program in itself does not hold sufficient attraction to warrant remaining until the end, heed the call of your duty to Allegheny. Stay and meet the alumni!

### MISS SPALDING GIVES TWO READINGS DURING CHAPEL SERVICES

Miss Spalding entertained the faculty and student body Thursday morning, May 14, at the Chapel hour when she presented as a reading the scene from Shakespeare's "Henry the Fifth" in which Henry makes his rather humorous proposal to Princess Catherine of France. As an encore, Miss Spalding presented a very amusing imitation of a Frenchman's interpretation of a scene from Macbeth.

Before presenting the reading, Miss Spalding gave a general account of Henry the Fifth as he is depicted by Shakespeare. The readings were a delightful change from the regular chapel exercises.

### COLLEGE TRUSTEE DIES VERY SUDDENLY AT HOME IN OIL CITY

C. Van Peters, prominent oil man and trustee of the College, died very suddenly at his home in Oil City, last Friday, May 15. Mr. Peters has always been interested in Allegheny, and has been an Erie Conference trustee since 1917.

The funeral was held Monday afternoon, and the College was represented by Dr. J. W. Miles, Dr. W. A. Elliott, Dr. O. P. Akers, and Dr. J. R. Shcultz.

He is survived by his widow, a son, Edawrd, and a daughter, Elizabeth, who is at present a student in the College.

### PHI PSIS ASK AID IN SEARCH FOR VALUABLE EGYPTIAN VASE

A few months ago a valuable Egyptian vase was missed from its regular place on the mantel in the living room of the Phi Kappa Psi house. Private investigations were made, and the property thoroughly searched, but to no avail. A strenuous effort is being made to recover it.

The vase was of a reddish brown color with a half-inch black border blending into the above color, and it was ovule in shape. It measured about three and a half inches in diameter. The vase was supported by a small three legged ebony stand bearing a small plate giving the dates of the period made and of its discovery.

Any information that any one may have to offer will be greatly appreciated by the chapter, for it served as an only memorial to a deceased member.

places she was also in charge of some schools. This coming fall she is planning to do graduate work in this country, and later she will return to Mexico to establish a vocational school for girls.

Her visit to Meadville was a busy one. On Tuesday afternoon she was the guest of Kappa Alpha Theta, and that evening she was the guest of Miss Wren Staley in Hulings Hall. Later she spoke before the Mary Reed Society at the Stone Church. She was also the guest of Mrs. O. P. Akers. Miss Murray is the daughter of Dr. William P. Murray, '86, and Mrs. Florence S. Murray, ex-'88.

### MUSEUM TO BE OPENED

(Continued from page 1)

Another collection of casts is that of skulls and limbs showing the development of the horse.

The specimens are enclosed in attractive glass display cases. One case is devoted entirely to iron ores, since iron is the most important mineral. This collection is very complete and the specimens have been procured from all over the world.

A second case contains the next important minerals: the ores of copper, lead, and zinc. In another case, ores of the precious metals are enclosed together with samples of petraleum sand, and petroleum, both crude and in the various stages of refinement.

Another case is made up chiefly of carbonates and another contains silicates only. This is an exceptionally good collection containing rose quartz and special forms of quartz such as amethyst, opal, chalcedony, and a very complete group of agates.

### BANQUET GIVEN IN COMMEMORATION OF DEAN ROSS' TWENTY-FIVE YEARS OF SERVICE

Dr. and Mrs. C. F. Ross were entertained at a banquet and a formal reception given by the faculty in the banquet rooms of Cochran Hall. The banquet was given in recognition of Doctor Ross' twenty-five years as a professor at Allegheny College. A loving cup bearing a suitable inscription was presented to Doctor Ross by Dr. W. A. Elliott, and Miss Edith Rowley presented Mrs. Ross with a bouquet of flowers. Both gifts were given in behalf of the faculty, and following their presentation Doctor Ross expressed his thanks in a few words. Those present, consisting of faculty members and their wives, numbered fifty-two.

# ACADEMY HIGH OF ERIE VICTOR IN INTERSCHOLASTIC TRACK MEET

## Eleven Schools Compete in Contest Held on Montgomery Field

Academy High School of Erie won the first sectional N. W. P. I. A. L. Athletic Association track meet, held on Montgomery Field, last Saturday, May 16. The Academy runners piled up a total of 23 points, while their nearest rival, Warren High, scored 15. Bradford High and Corry High tied for third place with 13 points each. One hundred and thirty-three athletes, representing eleven schools in this section of the state, competed in the meet, which is considered one of the most successful interscholastic contests ever held here.

The track was fast and good time was made in most of the running events, although a slight rain slowed up the last two or three races. Harvey Nelson, a sophomore at Academy High, provided the feature of the meet in the high jump, when, after injuring his ankle in one of his jumps, he smashed the record with a jump of 5 feet 9⅜ inches. One other interscholastic record was broken when See, of Warren High, leaped 20 feet 10 inches in the broad jump.

The individual high scorer of the meet was Ross, of Corry High, who scored 13 points by winning the 100 and 220 yard dashes, and placing second in the broad jump.

### PHI GAM AND PHI ALPHA KAPPA TIED FOR SECOND AT END OF BUSY WEEK

After almost two weeks of inactivity due to bad weather conditions, the teams of the interfraternity baseball league swung into action again on Tuesday, May 12, with two games in the same afternoon. Stellar pitching by Fred Parnell gave Chi Rho a 7-2 victory over the champion Sig team, and the other two games both went into extra innings. Phi Gam ousted Phi Alpha Kappa from first place, when they jumped on Cossman for three runs in the last inning. Each team scored once in the eighth, but the Fijis shoved across the winning tally in the ninth. Chi Rho now has undisputed possession of the league leadership, with Phi Gam and Phi Alpha Kappa tied for second.

Try and Beat It, Seniors!

Of course you are intending to repay in some way the several thouands of dollars your parents have spent to send you here. The squarest thing you can do is to guarantee the fulfillment of your good intentions with a Standard Life Insurance Policy.

You'll find that Mother and Dad will see in that policy a whole lot more than a symbol of your appreciation and regard. To them it will be an indication of your character, your maturity, and your common sense. It will give them as much pleasure as your diploma.

How's that for a commencement present for the people who really deserve one?
