Miss Ida M. Tarbell,
120 E. 19th Street,
New York, N. Y.

My dear Miss Tarbell:

I have gone a little further than you asked and am enclosing a list of all the women who were in college up to the time of your graduation. I thought you might be interested in having the complete list. I have not included students in the preparatory department. This study has been interesting to me in that it shows that at the time you entered in 1876 the number of women students had decreased very materially and there was apparently danger of their disappearance in college altogether. Your coming must have been a decided stimulus as the next year's freshman class is again quite large.

We enjoyed your visit in Meadville very much and hope it will be repeated very soon.

Very cordially yours,

C. F. Ross
