Miss Thelma Wolfe,
Secretary to Miss Tarbell,
120 East 19th Street,
New York, N.Y.

Dear Miss Wolfe:

Your letter of December 3 and enclosed pamphlet material returned by Miss Tarbell are received with thanks.

Our records show four other items, still not returned, and I write to inquire if I am to assume that they are still in use, or overlooked. They are:

CI 6-4075

— Whaling Museum, New Bedford and Nantucket.
Dickinson Museums and their relation to the History of Science and Technology.
Liphshitz Museums of Science and Industry.
*Richards Museums in contemporary life.

* need not return,-gift.

If we had duplicates of the above listed titles I should be glad to give them, but as we have not, we would like them returned sometime, though not until they have served Miss Tarbell's purpose.

Very truly yours,

Vera L. Dodge
