New York, N. Y.

Dear Miss Tarbell:

Your letter of December 7th has just been received, and I shall be very glad to give you full information with regard to our women employees and women operators of our machines. I remember meeting you very well, and I have followed your work for many years.

As I am going to be out of the city a great deal between now and the first of January, I want to ask if it is necessary for you to have this information immediately.

I should be very glad to discuss this subject with you personally, but if you do wish to obtain the information as quickly as possible, and before my return after January 1st, I will have one of our executives communicate with you.

With all good wishes for the Holiday Season,
I remain

Sincerely yours,

TJW:LW
