beeeuee a few minutes before
one of them died in the
night - called him
Ed - named after a man
and - Ed Baker - got killed
at Bull Run maybe you remember
him and he was the first
before the war got in
settle up their affairs
got ready to go home
Sue & Ben and Ed & 2 dead - the neighbors
in the neighborhood

Put Mary L. both in - after
Liard & Rebecca in and then
Ernest Volz - the cupboard stood
against the wall - maybe it was so
that the bed could be drawn
out more in front. The bed
it took from the table over

~~She also~~ Mary told me when
we talked about the way she
came on to her brother's note
it all in her L- so it seemed
to us- maybe as we may Kid-
she'd always been around the dealer
when anyway happened to me
of the children- so when I say
Send for me L, I get all the
money in- ~~Carried~~ Carried the
affairs- now will Ira real his course

and he had to stop and rest. I
you can see the Eskimo dog-
sled - that was the dog's
sled, and this sled was
for the people - the
Eskimo people - to ride
on when the snow was
deep.

But the ice made slippy
slippy so this just bowed down!
Presently the sled-dogs
and the sled - dogs
were up in Greece at Greek
Isles The Parent - you realise
I can't say - old I can't say -
dead - they ate and then a
at the Meeting they had right away
it - we all in a Greek paper - I
read it - I was a speech in full
to seem like that - me

I remember how he ended by saying, "We all must die - hope I [illegible] I were [illegible] I feel it [illegible] about dead spirit of myself can be raised = [illegible] but me must say I [illegible] same [illegible] [illegible] with [illegible] at heart [illegible] see 20A
