My dear Miss Tarbell:

INDUSTRIAL MUSEUM EXHIBITS

Reference is to recent correspondence relating to exhibits in our Industrial Museum.

Herewith we are sending the best copy it is possible to obtain of the old group picture showing Jas. A. Farrell as a wire drawer in 1881. I hope you may be able to use it.

We are also sending a Museum interior view which includes the greater part of our collection of corporate seals. This picture may not be at all suitable for your purpose. If, however, you consider it of sufficient importance, we will have the seals photographed by themselves.

We are pleased to learn from Mr. Palmer that Miss Tarbell is planning to visit our Museum. We believe you would find such a visit of interest, and possibly helpful in your present undertaking.

Yours very truly,

A. G. Warren

Sec'y, Industrial Museum Committee.
