Miss Ida M. Tarbell
C A L A I R, Vermond

My dear Miss Tarbell:

I appreciate very much your nice letter of the 7th. I have felt certain that you would be heartily in favor of the broad general plans of the President's Reemployment program. I note you say there are some features about which you are dubious. However, you can speak of those features that you heartily approve.

I may ask you to take an engagement or two. Please, however, do not feel obligated to follow my suggestion if your health will not permit. That is the first consideration.

Very sincerely yours,

Louis J. Alber
