Dear Sir

I see Miss Ida Tarbell is in your city seeking 1st hand information - We are at present loading 5 to 8 cars of cucumbers here daily - If she wishes she can come & see the actual goods going in the cars also quite a few beans are being sold. On acct - of the intense rains we are shipping about 1/3 of our usual crop - at least half of our tomatoes are drowned but we have some beautiful fields - We will take pleasure in showing Miss Tarbell around

Yours very truly
J. C. Getzen
