November 25, 1935

Dear Mrs. Aspinwall:

I have just returned to my desk after a three week's absence and I find waiting me your letter of November sixth which I appreciate, and the three little historical photographs. The pictures of George and Martha Washington are uncommon. This is the only carte de visite that I ever saw of this particular Lincoln family photograph. The large picture is found in most selections I think, though I do not myself own one.

If you want to sell it, or if the owner wants to sell it I think the best advice would come from Dr. Louis A. Warren of the Lincoln Historical Association, Fort Wayne, Indiana.

At all events I am glad to have seen it. It is a charming little thing.

Thanking you for remembering my interest in all kinds of Lincolniana and believe me with best wishes for a Merry Christmas and a Happy New Year

Very sincerely yours

Mrs. Jessie G. Aspinwall
