Federal Housing Administration
Washington, D. C.

Dear Sir:

Some weeks ago I talked over the radio in the series of programs dedicated to the American Home under the auspices of the F H A and sponsored by the General Electric Company. The talk brought me various inquiries about how th get in touch with your organization. Could you send to me the names of those in charge of the state or district branches of the organization? I could then refer them directly or if it would be more practical send me information as to what one wanting to take advantage of the Government Housing Program must do.

Very truly yours
