Miss Ida M. Tarbell
120 E. 19th St.
New York City, N. Y.

Dear Miss Tarbell:

In answer to your request, we have secured from our Accounting Department, the following data:

May 1931, number employes - 25,709
Total Payroll - $4,005,397

This information you desired to use in contrast to an earlier payroll, which you have in your possession. In submitting this data to us, the Accounting Department asked whether or not Westinghouse would have an opportunity of seeing the article before release. I assured them that we would. I hope we have not burdened you with too much material, and that you will find a little interest in it as you read thru it.

Yours very truly,

W. G. Marshall
