KNOX COLLEGE
GALESBURG, ILLINOIS
OFFICE OF THE PRESIDENT

October 8, 1928

Dear Miss Tarbell:

It will be quite satisfactory for us if you can arrange to begin your work here on November 12. Our Christmas vacation begins on Friday evening, December 21, so that this would give you just time to get in a full six weeks. I have no suggestion as to any change in the program. It seems to me excellent.

We are anxious to arrange living quarters for you that will be agreeable and effective for your work. It happens that we have vacant space in the girls' dormitory and it might be possible to provide you with a suite there that would be comfortable and probably as quiet as any other place that we could find nearby. Would you object greatly to living in the dormitory if we could guarantee proper conditions in other respects?

Although I am glad that Saturday is over, with its multitude of details and worries, I am more than glad that we held the celebration. It was a great event and I regret only that you could not be here to be a part of it. There was a slip in some of the publicity by which the statement which you kindly furnished to Mrs. Post was made to appear as having been delivered here. That was, of course, a misunderstanding in the rush of last minute preparations. I believe Mrs. Post has already written you about it.

We are looking forward to your coming in November with great interest.

Cordially yours,

Robert Buck
