Dear Miss Tarbell:

Your expense account will be put through.

When you are in Boston September 26, please make headquarters here, or in any case be sure to come out after the fun and see all you want of the plant. I might be shy about describing the delights on the inside of the fence except that so many of my fellow inmates feel the same way about it I must believe them to be considerable.

Good luck to you on the Brunswick job. I am full of confidence and curiosity.

Yours very cordially,

H. S. Dennison
