My dear Miss Tarbell

I have recommended in the highest terms for the Pictorial Review Award for 1928, the name of Miss Elizabeth Burchenal, whose unique and important work in Folk Lore Dances and Music has for years been known to me. She is th the soul of this movement in America.

I respectfully invoke your special attention to the details of this work which I am sending to the Review as the basis of my recommendation and which can be verified at the office of the American Folk Dance Society(of which she is chairman) at the Art Center, 65 East 56th Street, New York City.

Very sincerely yours

Robert Underwood Johnson
