Miss Ida M. Tarbell,
120 E. 19th Street,
New York City.

Dear Miss Tarbell:

I tried two or three times while Mrs. Bridges and I were in New York, during the first week of January, to locate you, but since your phone did not answer, I presumed you were out of the city. Sorry we did not get to have a little visit with you.

I wanted to tell you about my lecture dates which I had arranged for you. I subscribed for the week of March 13th to 18th, and I had enough dates arranged to take care of it, but some of our courses are falling down on us on account of the stressing financial conditions in our territory. Three of the dates however, are still standing up, namely, Raleigh, N.C. at Meredith College, Birmingham, Ala., and Talladega, Ala.. These are three nice dates, and I hope you can come ahead and fill them.

We are just in receipt of letter from the committee at Raleigh, N.C. whom we had assigned March 15th, stating that they had a serious conflict on this date. We cannot give them the 16th, because there would be no way to reach Birmingham, Ala., in one day, and you are definitely booked at Birmingham for March 17th, and Talladega, Ala., for March 18th.

Cancelled 8/19

I was wondering if it would be possible for you to fill the two Alabama dates as scheduled, and then take the Raleigh date on Monday, March 20th, on your return North. I note that according to the time blocks, you were to close with us, so thought possibly you would not mind stopping over here in Atlanta and visiting us on Sunday, March 19th, then you could take the Raleigh date on the way home on the evening of the 20th.

I am still making every effort possible to get more dates in my week, but it is very hard sledding at this time. Please let me hear from you, and greatly oblige

Sincerely yours,

S. R. Bridges

President.
