Telling the truth — for fear of a [illegible] student any attempt to discredit — or abort a [illegible] unpleasant tradition, is set down at once as the effort of a base misstripper to conceal the truth. The effort to present these unpleasant traditions is only explicable by that curious tendency to "stop for the worst" in what concerns the rest of the world.

However strange it may seem, the evidence presented to us does not support a single item of this tradition.

In recent American [illegible] there was been no [illegible] popular tradition more popular than those concerning the origin of a. L. Stone Burpee which have that he was discovered from "poor white trash"

that his mother was illegitimate & that he himself was a convict of rich birth. The last story was effectually disposed of a few years ago by the discovery of the [illegible] baptismal & marriage certificates of his father & mother. The 1st & second [illegible] are refuted by [illegible] The parish [illegible] of the auditory for both these statements is unreliable & has so stated in a recent [illegible] Burpee's life. The [illegible] met the public reception from [illegible] and there are reviews of the work a

para 2. of good & honest parentage being criticised as illegitimate etc see Galton + Pearson paper.

Now no one is more convinced than the writer of this article that a child has no need of a pedigree to measure his future. He stands unique in the human family, responsible only to himself, his conscience & his Maker. His life must be to every individual woman stupendously full to make the probable of his fullness unmeasurable, a gospel (?) of the possibilities of the highest & simplest human

Invisible

the individual. He he is first type of the self-made man. His development is one of the most magical & sheer in American history. To unravel the family of his birth, the redness of his surroundings, the elaborate fear of his young manhood the cruelty of his callers, the limitations & his utter ignorance of the numbers of his life the slowness of his attainments would be to take away half of the independence of his life from those who did the most handicapped as he was.

What is a "poor white" certainly not merely a white man who is poor - these were a subordinate in the South were not that. The term applies to a perfectly distinct class, ~~It has~~ if recognized historically & economically. "Intolerance of manual labor, not necessarily because it was regarded as menial, but by reason of a constitutional lassitude bred down from generation to generation; ~~was not always manifest in the unfortunate~~ is the characteristic of the economist* ~~will see note~~ 1 - 2c

Where did they come from see note (2) & (3)
