Miss Ida M. Tarbell,
C/o The American Magazine,
New York City.

Dear Miss Tarbell:-

I understand that you are in the West at the present time, but I am going to send this letter in care of The American hoping that it will be forwarded to you.

I merely want to assure you that we are anxious to negotiate with you any time you feel like making a change in your working plans. You will recall that I saw you in your office a few weeks ago, and you said then that you would not make any move without giving us a chance to consult you.

Hoping that you are having a good time, and that I will see you soon, I am,

Yours very truly,

W.W.Young.
