Miss Ida M. Tarbell,
120 East 19th Street,
New York, N.Y.

Dear Miss Tarbell:

I have not heard from you for sometime and have been wondering about the present status of your story for the American. It is my recollection that you were going to forward a copy to me for the purpose of checking the facts before final publication, and I am writing now because of the possibility that you have forwarded the article to me and that by some mischance it might have gone astray.

Among the booklets which we gave you when you were here was a leather-bound copy of the Co-operative Bulletins published in the early years of Mr. Mitten's connection with PRT. Mr. Tulley's office is anxious to have these returned when they have served your purpose, since it is the one set that they have left. There is no hurry about this if you have further use for it, but I hope you will keep in mind that this is our library copy.

Sincerely yours,

J.M. Shaw
Vice President
